THE PM SENIOR DIFFERENCE

let's focus on what makes you unique

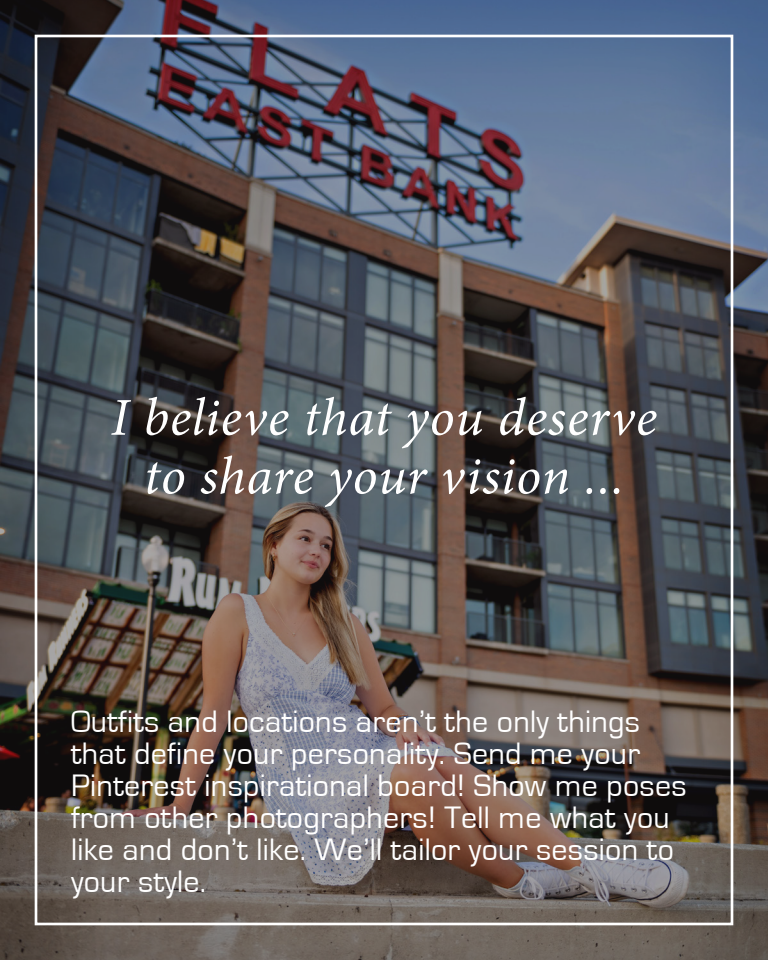

*I believe that you deserve
senior photos that are unique
to you ...*

There's only one of you. Senior photos should be as unique as your personality. That's why I personally, and tirelessly, work with every senior to make sure your photos are exactly what you've dreamed of ...

*I believe that you deserve
to be heard ...*

Incredible senior photos don't happen without a good plan. That's why I personally schedule a prep meeting with you a week or two before your session to chat about your ideas for outfits, locations, hair and makeup.

*I believe that you deserve
to share your vision ...*

Outfits and locations aren't the only things that define your personality. Send me your Pinterest inspirational board! Show me poses from other photographers! Tell me what you like and don't like. We'll tailor your session to your style.

She is smiling and looking towards the camera. The background shows a sunset with orange and yellow clouds over the ocean. The entire image is framed by a thin white border.

*I believe that you deserve
a true senior pictures
experience ...*

Senior pics are a once-in-a-lifetime experience and should be treated that way. That's why sessions with me are THREE HOURS! This gives us time for new outfits, locations and to really capture your personality. An experience like no other.

She is smiling and looking down at her skirt, which she is holding with both hands. She is also wearing a black headband with white polka dots. The background is a soft-focus field of tall grass and trees with yellow and orange foliage, suggesting an autumn setting. The entire image is framed by a thin white border.

*I believe that you deserve
to be yourself ...*

Did you notice that my style is very natural & candid? Well, I'll admit, that's not all me. During your session, I'll do some posing, but also let you open up and be yourself. Dance, spin, flip your hair ... it's your session, let's make it yours!

A brown paper shopping bag with a circular logo featuring the letters 'pm' is positioned in the background. In the foreground, there is a stack of printed materials, including a book or album with a colorful cover, and a cardboard box containing a dark blue garment, possibly a shirt or jacket.

*I believe that you deserve
the best ...*

Everything I print is fully retouched and printed at the highest quality. Prints, albums, wall portraits and more all printed on archival materials to show off your experience for a lifetime.
