

PM'S TOP 5 SENIOR PIC LOCATIONS

my top 5 areas for senior pics

#5

CULTURAL GARDENS

Cleveland has such a cool mix of old architecture and beautiful gardens. Get the best of both with the Cleveland Cultural Gardens. Win, win.

A woman with long blonde hair, wearing a white sleeveless dress and white sandals, is walking on a sandy beach. She is smiling and looking to her right, with her left hand on her head. The background is a blurred view of the beach and some greenery.

#4

BEACHES ON LAKE ERIE

We are lucky enough to have a beautiful beach right in our own back yard, why not take advantage of that!? Headlands beach & Edgewater are two fantastic options.

#3

URBAN SPOTS

If the hustle & bustle of city life is in your wheelhouse, this is it. They're also fantastic for off season shoots as they look the same year 'round. Cleveland, of course is a great spot, but our hometown of Downtown Willoughby is my location of choice.

A woman with long brown hair, wearing a black headscarf with a floral pattern, a black spaghetti-strap dress, and several bracelets, is walking barefoot through a shallow stream. She is looking down at the water. The background is a dense forest with trees and foliage, and the ground is covered with fallen leaves. The overall tone is warm and autumnal.

#2

WATER

Rivers, lakes and ponds make for some incredible images, if you dare to step in on a cold Northeast Ohio day. But it's totally worth it! Chagrin River, Lake Erie, Chagrin Falls just to name a few, but any water will do.

#1 *TALL GRASSES*

My #1 choice is tall grasses! Grasses in front add depth, while grasses in back blur out, pushing your eyes to see the gorgeous portrait in the middle. Get that beautiful sun kissed glow and it's almost a perfect image. Tall grasses are everywhere, let's find one!

Other Locations ...

These spots didn't crack my top 5, but can make for some cool, interesting images:

- Boat Docks
- Coffee Shops
- Bridges (any, but covered bridges are fun!)
