wedding photography

album guide features, extras & add-ons

Step 1 - choose one ...

Either of these options are included in the Creation package.

Choose your preferred style ...

PHOTO COVER

10x10 size

Custom Designed

Fully retouched images

Lay Flat Pages (no gutter)

Custom full photo wrap cover

10 spreads (20 pages) with up to 100 images

LINEN COVER

10x10 size

Custom Designed

Fully retouched images

Lay Flat Pages (no gutter)

Linen cover with either a 4x4 image OR
name imprinting

Many linen cover color choices available

Can be upgraded to leather or suede

10 spreads (20 pages) with up to 100 images

Step 2 - image selection ...

To select images for your album, simply "favorite" up to 100 images for the album and one for the cover from the online gallery, then notify us when you have completed your selection. We'll retouch and design the album using the images you choose.
