

SURFACE BEACH VOLLEYBALL CLUB

Media Release & Communications Policy

Version 1.0 | Status: Approved

Purpose

Surface Beach Volleyball Club regularly photographs and records activities during camps, clinics, practices, tournaments, and club events. These photos and videos help celebrate athlete achievements, share club news, promote programs, and grow the game of beach volleyball.

Media Release

By registering for and participating in Surface Beach Volleyball Club programs, participants and their parent(s)/guardian(s) grant permission for Surface Beach Volleyball Club to photograph and record athletes during club activities.

Photos and videos may be used on:

- Surface Beach Volleyball Club website
- Surface Beach Volleyball Club social media platforms
- Program and event promotions
- Club marketing materials
- Email communications and newsletters

Athlete Identification

Surface Beach Volleyball Club may identify athletes by first name only when names are included. Surface will not publish personal contact information, home addresses, or other private information about participants.

No Compensation

Photos and videos may be used by Surface Beach Volleyball Club without compensation or additional approval.

Communications

By registering for a Surface Beach Volleyball Club program, participants and parent(s)/guardian(s) consent to receive program-related communications, including registration confirmations, schedule updates, weather notifications, event information, program announcements, and club news.
