1.2 Scope

This document is an official document that represents the ATS Communication Facilities for Bangladesh Virtual Area Control Centre on the VATSIM.net Network. This document applies to all members who hold a controller certification within VGFR Dhaka FIR, Bangladesh

1.3 Distribution

Distribution of this document is distributed via the HQ System established under the Division (VATWA). Members shall navigate to <https://hq.vatwa.net/vacc/BGD> and find the SOP Tab. Distribution will also be available under the Division Policies Area. Furthermore this document will be distributed via a Division Policy at a later date.

1.4 Authorization

Document Authorization for approval is granted by the Divisions Operations Team Leader. Document control and amendments for approval is granted by the Divisions Operation Team Leader.

1.5 Disclaimer

This document is for simulation usage on the VATSIM.net Network. The contents inside this document are not to be used for real world purposes or operations.

1.6 Cancellation

This document remains in effect unless once of the following scenarios happen. A revision is given which clearly states the amendments and the newly established effective date therefore this document self-cancels past the newly established effective date or a notice period is given by the Divisions Operations Team Leader stating the cancellation of this document.
