

Helping people to know of the love of God and sharing His golden rule -
"Love your neighbor as yourself"
through acts of kindness and charity.

At our BBB Golf Fund raiser in June, the Board of Directors announced that we were donating \$5,000.00 each to 3 non-for-profit organizations in Whitley City, Kentucky. They are: McCreary Christian Care Center, Good Shepherd Outreach and the St. Joseph Inn.

Who are these organizations and what is their ministry:

McCreary Christian Care Center: Provides food and medical needs for McCreary County, one of poorest counties in the USA. This past year, they helped provide food for over 14,000 families and medical assistance including items for personal care/ hygiene, clothing, medical equipment and heat assistance. In July, we presented the check to Sue Singleton, President. Please see our website for pictures.

Good Shepherd Outreach: Outreach has been the legacy part of our ministry. Good Shepherd receives applications for home repair, decks, ramps and new houses. We review with them to see how best to use resources and help coordinate work for 5 different groups. The week after the BBB, we worked with 11 high school students and their three teachers on 4 projects. The Taylor Ramp, Shoopman Ramp, Jones Deck and Ramp and Lois Knoop Rail. Please see our website for pictures <https://ltnministry.org>.

St. Joseph Inn: Houses up to 32 missionaries at a time as they minister to the people in McCreary County, KY. We always stay here, and we are working with others on some much needed updates that need to take place in January and February 2027.

We could not do this ministry without your continued support.
