☐ Open-mouth suitable

☐ Rug suitable

☐ Repair needed

Hide / head / paw / damage notes

4 LEGAL / PROTECTED SPECIES REVIEW

New Jersey black bear trophies must remain associated with the required legal possession seal/check documentation. Out-of-state or international bears require all applicable state, federal, CITES, customs and import documents. Protected or specially regulated bear species are accepted only after legal-document review and confirmation that possession and taxidermy are lawful. Blackfoot may refuse any undocumented specimen.
