

Hiiii!!! So, I'm having a Ladie K party aka doing a nightclub scene and want to invite you/need your help filling in a night club as BG? I'm mainly looking for party folks 21-45, open ethnicity, and who are available late in the evening!

You'll need to come in a complete full look, and bring one other item that can easily convert your look like a jacket, shawl, extra top, or a shirt under a button down shirt.

It's ambitious but I need at least 20-25 people who can promise they will show up. I can pay a stipend for coming/ to help cover their parking/transportation. There will be food throughout the evening, snacks, beverages, etc. Anyone who knows my sets knows I take care of my entire cast and crew which includes all my PAs and BG/Stand-in talent.

Date is March 27th

Last MONDAY of the month!

7pm - 1am

Downtown location next to CTA

\$100 stipend for the night
