Also, note, please make sure to label your headshots, selfies, and resumes with your name. No links to actor's access, it has to be a downloadable image. I send these to clients in folders, so they can't use links

FYI! I do not allow third party paid-subscription based casting companies to poach my castings and put them on their websites. My casting calls are FREE for anyone to see on my website, social media, and FB group. I am fine with other friends sharing on social media to friends.
