

Tobin's Lakeside Adventures

Descanso Escondido

To all the families who stay at Descanso Escondido. We hope that you will continue to make memories with us for years to come.

Hi. Welcome to Descanso Escondido. That means "hidden rest" in Spanish. I'm Tobin and can't wait to spend time with you and your family.

Before we get started, there are some rules we should go over.

1. I love to be cuddled and hugged.

2. Descanso Escondido is my home but I would love to join you on adventures while you are here.

3. I love taking pictures with all my new friends.

4. The best sleep is when I fall asleep under the stars.

Okay....now let me tell you more about me.

In this book, I may look more like a cartoon, but
in real life, I look a little more like this...

Before I came to live at Descanso Escondido, I used to spend my days riding the rails and exploring Arizona.

I played in the sand at Tempe Town Lake.

Went horseback riding
in Sedona.

Built a snowman in Flagstaff.

What should I wear if I'm going to play in the snow?

Tried 3 different flavors of ice cream in Tucson.

and finally made my way to Descanso Escondido.

Do you want to know what I love about this place?

It has all the adventures I used to go on in one

I can play in the sand at Rainbow lake.

Ride horses at Porter Mountain
Stables.

Build a snowman in the
Winter.

And enjoy ice cream at Mountain Dream Creamery.

Plus...I get to enjoy all the activities at the house like playing with the tent in the main room.

Swinging gently in the hammock.

And exploring the dog park.

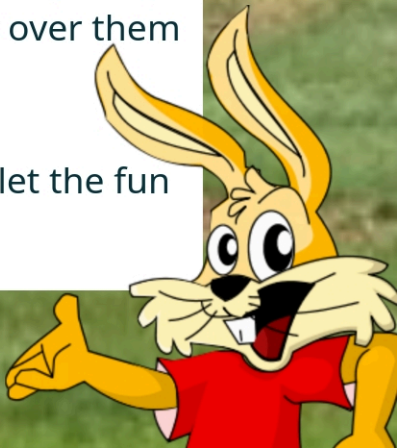

Do you see a dog inside the fence?

I hope you and I will have a great time while you are here.

It's important that we listen to the adults to make sure we stay safe, get rest each night so we can have a full day of exploring, and pick up our toys after we play so no one trips over them and gets hurt.

Adventure awaits us so grab me and let the fun begin!

Parents, don't forget to take pictures of your little ones and Tobin during your stay. You can follow Tobin's adventures on Instagram (Descanso.Escondido) and post pictures for other guests to see.

Tobin can be left on the main bedroom bed when you leave and he will get washed after each guest stay. Thanks!
