

# OUR MISSION

"To promote the responsible stewardship of the natural and recreational resources of the Raystown Lake Project through the support of members and constituents in sponsoring and developing programs in education, resource protection and enhancement, and recreational improvement."

# **THANK YOU FOR YOUR SUPPORT!**

Your membership is **critical** to sustaining our diverse programs at Raystown Lake!

We develop a quarterly e-newsletter to keep you up to date on all the happenings at Raystown, so please include your email address on the membership form.

Please join us for our meetings at **7 PM on the second Thursday of every month!** Meetings are typically held at Hoss's Steak and Sea House in Huntingdon, PA (subject to change).

**MAKE A DIFFERENCE...**

# Friends of Raystown Lake

**BECOME A MEMBER TODAY!**

# ABOUT US

We got our start as the Raystown Lake Cleanup Day Committee in 1988. As our interests and involvement at Raystown grew, we evolved into The Friends of Raystown Lake (FRL) and were formally incorporated as a 501(c)(3) non-profit in 1996.

Today we are a volunteer directed organization that supports a variety of environmental stewardship and recreation initiatives at Raystown Lake (see below)!

# OUR PROGRAMS

## Raystown Lake Cleanup Day

With the help of hundreds of volunteers, FRL removes tons of lakeshore trash every year!

## RayCEP

FRL founded and sponsors the Raystown Conservation Education Partnership (RayCEP) to provide hands-on environmental education programs for visitors.

## Allegrippis Trails & Skills Park

Built and maintained by FRL, the Allegrippis Trail System features 30+ miles of some of the best mountain biking in the world suitable to riders of all abilities!!

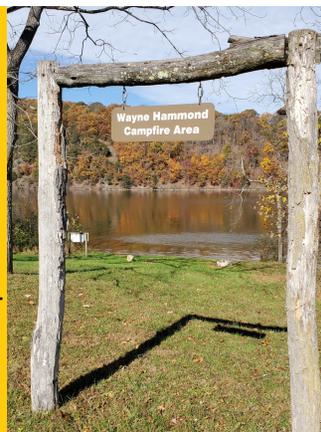

The trails were purpose-built for mountain biking, but are open to hiking, trail running, bird watching, snowshoeing and more!

### Looking to enhance your riding skills?

Check out the Mountain Bike Skills Park in Seven Points, also supported by FRL!

## Putt's Camp

FRL operates Putt's Camp, a primitive group camping area north of mile marker 26, that offers waterfront camping opportunities for non-profit organizations and family reunion groups.

## Navigation Lights

FRL maintains lakeshore navigation lights for the safety of nighttime boaters at Raystown Lake.

## Events

FRL lends volunteer assistance to public events, such as Glow Swim, Chalk the Walk and Fish Structure Building.
