

Putt's Camp FRL

Friends of Raystown Lake

2025 Fee Schedule

The Friends of Raystown Lake (FRL) signed a lease with the U.S. Army Corps of Engineers to operate Putt's Camp on January 1, 2022 and have obtained a Liability and Property Damage Insurance to cover the camp and the newest improvements. Those improvements include the following: a Solar System, a Pantry/Storage Building and the new concrete floor in the Main Pavilion. During 2024 we installed an electric pump system in the well and now have potable water at a hydrant by the Main Pavilion. Due to the economy, our maintenance cost has increased and we have found it necessary to raise our fees this year to cover those maintenance and the expected rise in our insurance premium. To reserve Putt's Camp, your group must be a non-profit organization.

The camping fee for (staying overnight) is based on how many nights each person in a group spends at Putt's Camp. The Facilities are rented by the day. No Alcoholic Beverages are allowed at Putt's Camp.
