

BUILDING BELONGING

The Bailey Center Capital Campaign

Expanding Space. Expanding Possibility.

Who We Are: A place where no family walks this journey alone.

The Bailey Center for Special Needs provides a partnership among FEAT (Families Embracing Autism Together), community members, service providers, and various other support staff who collaborate to offer a highly engaging and sensory-friendly space for participants to interact and learn in an environment that is safe and educational.

Why We Are Expanding: We have outgrown our space.

In just two years, The Bailey Center has grown into a vital hub for families across Southside Virginia. Serving individuals ages 3 to 79, we provide inclusive programming, life skills training, recreation, caregiver education, and transition support — all at no cost to families. Our growth reflects a simple truth: the need is real, and it is increasing. To continue meeting that need, we must expand.

Where We Are Going: An 8,000+ Square Foot Purpose-Built Facility

- Large Sensory Room for All Ages
- Mock Life Skills Apartment
- Therapy Rooms
- Transition & Workforce Space
- Shared Office Collaboration Space
- Recreation Room with Half Basketball Court
- Large Multi-Purpose Meeting Space
- Outdoor Playground & Garden
- ADA-Compliant, One-Level Design
- Room for Future Expansion

How Funds Will Be Used: Building a lasting infrastructure.

- Renovation & Build-out of Facility
- Relocation Expenses
- Staff Expansion Support

Our campaign goal reflects the funding needed to complete the current phase of this expansion. Should contributions exceed that goal, excess funds will be retained and used to support future capital improvements and planned facility enhancements, ensuring The Bailey Center continues to grow alongside the needs of the individuals and families we serve.

Ways of Giving

Your generosity helps create a place where individuals with special needs and their families can connect, grow, and thrive. As a 501(c)(3) nonprofit organization, gifts to The Bailey Center for Special Needs may offer valuable tax advantages while directly supporting programs that strengthen our community. Every act of giving helps expand opportunities and ensure that families have access to the support, resources, and belonging they deserve.

Cash

A direct gift by cash, check, or credit card is the simplest way to support The Bailey Center. Immediate contributions help sustain programs and services that benefit individuals with special needs and their families.

Multi-Year Pledge

A multi-year pledge allows donors to make a larger impact by committing a gift that is fulfilled over several years. This option provides flexibility while helping The Bailey Center plan for long-term growth and program expansion.

Donor Advised Funds

A donor advised fund allows individuals to recommend grants to The Bailey Center through a charitable account they have established with a sponsoring organization or financial institution. It is a simple and tax-efficient way to support the causes you care about.

Charitable Distribution (IRA)

Individuals age 70½ or older may choose to make a qualified charitable distribution directly from their IRA to The Bailey Center. These gifts can satisfy required minimum distributions while potentially offering tax advantages.

Gifts in Kind – Tangible Property or Services

Donations of goods or professional services can directly support the work of The Bailey Center. Examples may include equipment, supplies, materials, or skilled services that help enhance programs and reduce operating costs.

Naming Opportunities

Naming opportunities provide a meaningful way to leave a lasting impact while supporting the growth of The Bailey Center for Special Needs. Donors may choose to recognize a gift by naming a space, program area, or feature within the center in honor or memory of a loved one, family, or organization. These gifts help expand vital services while creating a legacy that supports individuals with special needs and their families for years to come.
