

Whitefish Community Garden 2021 Member Agreement

Welcome new & returning members to our 13th season of community gardening!

Website: www.whitefishcommunitygarden.com

Email: whitefishcommunitygarden2@gmail.com

Due no later than Friday, March 5: complete form below + mail \$50.00 member fee in order to keep your 2020 bed. Bed assignment is on a first come, first served basis. Fee includes water, utilities, manure, wood chips, tools & garden maintenance. Complete member agreement & mail with dues to PO Box 5415, Whitefish, MT 59937.

New member? We'll send an email with orientation info prior to opening day.

All members agree to a minimum of 6 hours of volunteer work outside their own bed for garden upkeep. Volunteer hours might include & can be spread throughout the season:

The shared beds we all care for: asparagus, blueberries, flowers, herbs, raspberries, strawberries + the orchard with apples, plums, cherries. Take time to see if these areas need weeding or watering.

Food Bank beds: help our team plant, tend & harvest these beds. Everyone is welcome to help out when they can or attend a weekly harvest from mid-June through mid-September. For more info email Wendy at Caraboo728@gmail.com or Sandie at Sandie5740@gmail.com. Too much of something? Can't harvest before it bolts? You can contribute to a food bank harvest by responding to our weekly email. We will *gently pick* as directed.

You are important to keeping WCG productive. Attend work days & complete a task on the "to do" list - Weed grass out of walkways & add wood chips. Look around & see what needs doing & do it. Please record your volunteer time in the book in the shed.

Save the dates!

Friday, March 5 Membership agreement & fee deadline

Thursday, April 22 10 – noon food bank planting

Saturday, April 24 Opening workday noon – 3: get the garden ready to grow with tasks on our "to do" list.
