**ABOUT RAOUL
WALLENBERG JEWISH
DEMOCRATIC CLUB**

The Raoul Wallenberg Jewish Democratic Club serves as a political “home” for Jewish and allied Democrats in San Francisco. We work to advance our community’s priorities and ensure a strong Jewish presence within San Francisco’s civic and political circles. A central part of our mission is to elect Democratic candidates who are unequivocal allies of our community and effective leaders for all San Franciscans.

We would welcome your involvement with our efforts! More information can be found at
