December 15, 2020

Dear Neighbors,

Please be advised that we have recently topped off the new building at 1815 Ridge and will no longer be utilizing the tower crane onsite. As such the dismantlement of the tower crane is scheduled for Monday 12/28 and Tuesday 12/29, weather permitting. The dismantlement of the tower crane will be completed utilizing an assist crane and should have no impact on the surrounding neighborhood. While this completes our use of the tower crane please note that there will be the occasional use of mobile cranes during the remainder of time to complete this project. We thank you for your patience and trust that we are being good neighbors while occupying your neighborhood.

Thank you,

A handwritten signature in blue ink that reads "Jack Scapin". The signature is fluid and cursive, with the first and last letters of each name being capitalized and prominent.
