RE: Construction at 1815 Ridge Ave.

Good Morning Neighbors,

Valenti Builders will begin construction on 1815 Ridge Ave on Monday, March 16. Construction fences will be erected along Ridge Ave and Oak Ave as shown in the Logistics Plan attached.

Aside from closing off the north end of Oak Ave as detailed below, there will not be any road closures or sidewalk closures in March and two-way traffic will be maintained.

Moving forward Valenti Builders will provide monthly updates which can be accessed at www.1815ridge.com

Feel free to reach out if you have any questions or concerns.
