

San Agustin Inc.

Dear potential donors,

My name is Russell Arayata, and I'm the President at San Agustin Inc. At San Agustin, our mission is to help the children and students of Tanza Cavite Philippines and our local American communities by helping them access the school supplies necessary for succeeding in the classroom.

Last year, we had our Back to School Fundraiser which provided backpacks, notebooks, books, paper, and writing materials to students in need.

While we've made outstanding progress, San Agustin still has work to do. We need your support for this year's Back to School Fundraiser.

Would you donate today to help us achieve our mission?
To contribute, visit our donation page at pay.tatausteng.com.

If you have any questions, I would be happy to provide you with more information about how you can help support our work.

We greatly appreciate your donation, which will be used to provide materials and support to students as they return to school.

Please join us! Your donation will bring us one step closer to ensuring the accessibility of education to our community's young learners!

Sincerely,

Russell Arayata
Founder / President
