CALL TO ARTISTS

Romeoville Art Society presents

Art a la Cache

ART IN NATURE

featuring works by RAS artists at Isle a la Cache Museum and Forest Preserve in Romeoville, Illinois

About Isle a la Cache: Isle a la Cache Museum immerses visitors in our cultural heritage and natural history. The museum transports visitors back to the 18th century, when "Illinois Country" was home to the fur trade. See how the two worlds of French voyageurs and Potawatomi intertwined. Feel the softness of a beaver pelt, see canoes built of birch bark and walk inside a wigwam. Then venture outside to be dazzled by the wildlife in the forest preserve, including bald eagles, migratory songbirds, mink and turtles. Also, be sure to check out the Blanding's turtle inside the museum.

Entry deadline for this show: May 15, 2022. Show runs from July 1-July 31.

Members of the RAS are invited to apply to this show with up to four pieces. A hanging fee of \$20 will be collected upon acceptance of participation. Depending on the number of entries and the available space, at least two from each artist will be included in the show. RAS reserves the right to choose which pieces to hang. Art must be delivered on June 29. We will hang the show on June 30. More information regarding drop off and setup will be sent at a later date.

Suggested themes: (in keeping with our themes for the season) food and the growing of food, hats, music, and friendship, as well nature, pollination, and art moves us. Artist are encouraged to depict these themes, but it is not mandatory.

Entry: fill out the attached application and email with up to 4 (four) images to berneydesign@gmail.com by May 15, 2022. Images should be high resolution jpg (300dpi), eps, or pdf. Each image file name should match the description on the application and include the artist's name or initials, for example, bb_1.mycoolsneakers.jpg. Please keep in mind that all wall art must be ready to hang. Approved methods are wire or heavy duty adhesive hanger.   For help preparing your work to hang, email berneydesign@gmail.com.

Small 3D works must fit the area of a 10" cube.
