

MAKE-UP APPLICATION AFTERCARE ADVICE

Thank you for choosing Natural Beauté.

To help maintain your make-up application for as long as possible, please follow the advice below.

Aftercare

- Avoid rubbing or touching your face unnecessarily.
- Avoid excessive heat, steam and humidity where possible.
- If removing make-up, use a suitable gentle cleanser or make-up remover.
- Wash your hands before touching your face.
- Remove all make-up before going to bed.
- Follow your usual skincare routine appropriate for your skin type.

Important Information

If you experience irritation or discomfort following make-up application, remove the product immediately and seek medical advice if symptoms persist or worsen.
