Mission Statement

The mission of Lindsay Yinger Show Stables ("LYSS") is to provide a quality, individualized program which promotes horsemanship and offers instruction to all skill levels in a fun, friendly, affordable atmosphere where we can enjoy horses as athletes.

Program Planning

We strive to be in touch with each client's equestrian goals so we can tailor an individual program to meet your needs. Once in the spring and once in the fall plan to have an individual meeting (by phone or in person) concerning schedule goals. Communicating these goals will give me the time and ability to organize a schedule for lessons, showing and clinics, and to set the best schedule for everyone.

Program Breakdown:

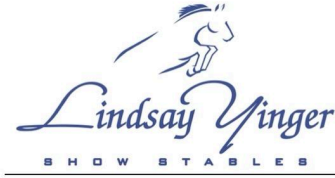

*This breakdown exists to outline LYSS's desire to meet students and families where they are, while striving to help them grow as horsemen and competitors.

Academy Level - This is an introductory-level lesson program wherein LYSS provides the horses and the equipment for the horse. The student will be responsible for owning an ASTM certified helmet, boots and/or chaps. (We can help you purchase the correct equipment) This will be appropriate for approximately one year's time. During this time students learn to groom, tack up, and untack, as well as general horse care and handling. For more info, see *LYSS Academy Handbook*.

IEA - Open to grades 4-12. Must be in a regular program at LYSS, starting with a minimum academy program commitment. We recommend attending 2 lessons per week, as well as IEA practices and shows when they are available.

Leasing - Our Introductory leasing program allows students to experience the next level of our sport by allowing showing and introducing them to a higher level of equestrian commitment. This grants access to regional and national shows. We will match you with a horse or pony that is suitable for you via either:

Partial Lease - Student will not owe a lease fee for the horse because it will be a horse owned and already boarded by/at LYSS. Student will be responsible for paying a board fee, vet care, farrier care, and supplements. Student gets to ride 4 days per week, with a minimum of 2 lessons per week and then practice rides for the remainder. Students will be the only individual that has the opportunity to show the

lnyinger@gmail.com

horse. These leases are typically on a 6-12 month basis. Students are expected to show a minimum of 4 times per year, or a number proportional to the duration of the lease.

Full Lease - This will require a lease fee up front, plus board, vet care, farrier care, supplements, and any insurance. This can be on a horse already at LYSS or one that we welcome in from elsewhere. Students can ride the horse up to 6 days per week: 2 lessons per week minimum then practice rides and/or professional training rides for the remainder. Students will be the only individual riding the horse daily and also showing the horse, other than professionals and staff/staff-approved riders. Often, these leases are 6-month or annual requirements. Students are expected to show a minimum of 6-8 times per year.

Important Billing Information

**Credit cards must be on file, but the following are all acceptable ways to pay:*

Via a payment box located on the wall outside of my office in the barn.

Via mail to my home address @ 13733 Foundation Rd, Croton, OH 43013.

Via all major credit cards.

Via Zelle.

Should you ever have trouble with online payment, please feel free to contact me and I can manually run credit cards.

Lessons Students pay monthly.

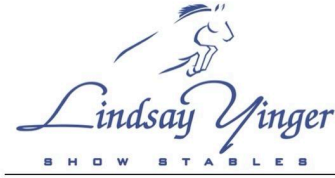

1 weekly lesson subscription = \$380/mo.

2x weekly lesson subscription = \$720/mo.

Please see *Lesson Guidelines*.

Lesson & Cancellation Policy - Our commitment to our students includes dedicated school horses and/or arena time for your individual lesson, as well as knowledgeable and trusted instruction. In order to honor these commitments to you, I ask for my students' cooperation with the following policy concerning scheduled lessons:

- * Make sure to allow adequate time before and after your lesson to care for your horse and equipment. This typically takes at least 30 minutes before and 30 minutes after.
- * Read the school horse rules. Found on page 7 of the handbook.
- * If you must miss a scheduled lesson, please let me know as far ahead of time as possible. You may also check with me at that time regarding possible dates for a make-up lesson. Please understand that instructors' time, arena space, and school horses are all set aside specifically for your scheduled lesson(s) each week. Therefore, any scheduled lesson that is cancelled less than 24 hours in advance will be

4945 Mink St. SW, Pataskala, OH 43062

lindsayyingershowstables.com

(614)348-5915

lnyinger@gmail.com

charged as if the lesson is taken. You will then have 30 days to make-up that lesson. If the lesson is not made up in 30 days it will be forfeited.

Board - \$1250 monthly per horse, or \$1325 in extra large stalls, is due on the first of the month, with a late fee of \$25 after the 5th. This includes full service: feeding, supplement feeding, daily stall cleaning and bedding, turnout, blanketing, as well as scheduling vet & farrier appointments, deworming, and monthly medication—and the assurance that professionals are consistently in touch with your horse and its needs.

Lessons, training rides & services are billed in addition to board (see rate sheet) and sent out at the end of the month. We expect each client to pay a minimum of \$350 for these additional services. This \$350 will be billed regardless of whether the services rendered amount to said sum. You will, however, have an opportunity to make-up the difference with additional lessons and/or training rides in the following 30 days. This is our way to be sure that all of the horses and riders are receiving the attention that is needed for a successful program, and most customers achieve this with their current minimum program.

Beauty Shop Services will be on an as-needed basis.

Mane pull = \$30.

Show trim = \$50.

Body clip = \$200

*Body clips should be paid directly to the clipper via a check in the mailbox, Venmo, or Zelle.

Community Supplies - We have found at LYSS that the easiest way to make sure that all clients have what they need to ride and care for their horses daily is to have plenty of grooming products and tacking equipment available in a community location. These items include general grooming supplies (i.e. polos, leg wraps, saddle pads, towels, fly spray, bathing supplies, etc.) \$150 semi-annually per horse will be billed to provide these items. \$50 for lesson students.

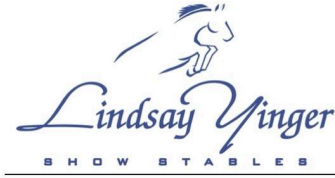

Equipment rental/usage - Borrowing from LYSS's large pool of equipment that is not included in *Community Supplies* is a luxury that we are often able to provide for you. These items will be billed monthly at an appropriate rate for the item and the usage:

Tack trunk rental = \$100/mo

Bits/Tack = \$25-\$50/mo

Set of home blankets = \$50/mo

Horse show clothes (show scrims/coolers/bonnets/show pads, ect.) = \$50/show

lnyinger@gmail.com

Horse show invoices will be sent out within 1-14 days following the show and considered late after 5 days, again with a \$25 late charge.

The Occasionally Unexpected - When dealing with the unexpected (i.e. your horse breaks a bucket, requires additional medication, etc.), you will be consulted and billed with for the appropriate solution. In the event that I cannot reach you, I will take care of the animal as if they were my own, notify you, and bill you for the necessary costs.

Vet and Farrier

Vet Services - LYSS will schedule your veterinary needs, anything from semi-annual vaccinations to lameness evaluations to preventive medicine. Our Veterinarians at **Bella Vista Equine** are well known performance-horse specialists. They offer chiropractic care as well as acupuncture services. They are also available for emergencies. We also use **Dr. Bill Patterson** for complicated lameness consults. LYSS will keep in touch with you closely regarding any necessary vet visits.

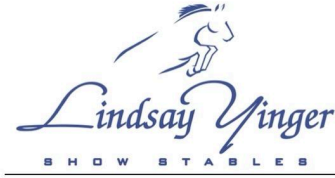

Farrier Services LYSS uses the best farrier, **Jesse Kleintop**. He works to provide the best care possible to our horses. We will help determine the right schedule for your horse (Usually every 4-5 weeks). Jesse and his assistants are the only farriers that we use at LYSS, as we trust him and have a very long, successful relationship with him.

Horse Shows

Show sign ups will be posted as early as possible so we can reserve stalls at the shows we enjoy. Some of the show deadlines will be early, so watch for show info on the show board, which is beside the lesson board & also via email. We will post deadlines for these shows to be committed to. We will need to have a credit card on file to reserve your spot at the show. We need to have a minimum of three horses to go to a show. I will be available to go for 1 or 2 horses at times, but the cost will be higher in some circumstances (\$300/day minimum for 1 horse, \$150 each for 2). If we find ourselves in this situation, we can discuss options and I will do what I can to accommodate you.

Partial leasers are expected to show 4 times annually.

Full leasers & Horse owners are expected to show 6-8 times per year, (2'6/.80 or less-6 times annually; 2'9/.90 or greater-8 times per year)

Shipping to and from horse shows will be coordinated by LYSS staff and billed to clients accordingly, typically through the shipper or Lyss directly. In the case of special exceptions, such as individually responsible shipping, please communicate with staff a minimum of two weeks before the Monday of the show week.

Show Cancellations - Shows will charge us if we order stalls and then cancel after the closing date. In the case that you cancel your stalls after the closing date, I will still need a check for the show—or I will pay your bill and then charge your card. You will further still be obligated to pay the trainer expenses and appropriate split fees as if you were attending. It is not fair for the others in attendance to get stuck with higher bills because someone chooses to cancel at the last minute.

Horse Show Invoices will be billed on an individual basis. 1-14 days after the show you will receive an invoice for the show services. The amount is due within 5 days of when you receive the invoice. After 5 days, a \$25 late-fee will be added to your bill.

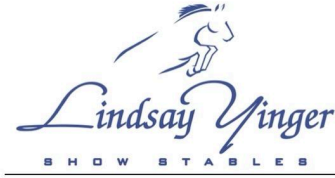

Laundry - We have laundry accommodations at LYSS (at home and at shows). Staff is often responsible for doing all of the laundry: This includes pads, wraps, polos, show laundry, towels, everything but blankets/sheets. If you are concerned about locating your personal items please be sure your items are marked or monogrammed with your name. At shows, when necessary, laundry will be sent away and the cost split between horses present at the show.

Supplies - We hold ourselves to a high standard of care, especially at horse shows. When travelling and showing we use additional products, such as hoof-pack, hoof oil, bathing supplies, poultice, etc.. These are all necessary products and steps to care for your horse so that they are comfortable while travelling and showing and appropriately turned out at the ring. For community supplies while showing it is \$75 per horse, per show week.

Special Requirements - Should your horse require items and care in addition to those included in our community show supplies, you will be asked to provide at your own cost.

See page three regarding specific **equipment rental** for shows.

Special note regarding **transportation during shows** - LYSS will provide transportation for the LYSS staff via our golf cart and bikes. These are for us to be sure that your horses, trainers, grooms, and supplies are in the right place at the right time. It is crucial that these wheels are reserved for staff priority. We are happy to let clients hitch a ride when possible. It is, therefore, advised that you plan to

provide your own transportation (golf cart, dirt bike, pedal bike, etc.) for your own needs during shows. Cost of these items transportation to and from the show, will be split between each horse at the show.

LYSS Customer Suggested Items List

Everyone should have these items when they team up with LYSS as horse owners/leasers. These are strong recommendations based on our experience with what works best to support students and horses in achieving their goals and doing their best to be caring horsemen. These are items not included in the Community Items, but may be available. We can help you set up any of these items for purchase—or lease if available. Barn Rules

1. Every client must sign a release form before handling or participating in horseback activity.
2. Minors must be accompanied by an adult if a trainer is not present.
3. All riders must wear an ASTM approved helmet while mounted.
4. A lead rope must be used at all times while leading a horse.
5. Hair must be tucked up under the helmet neatly, with a hair net.
6. Always be prepared to ride with a crop. And have spurs available.
7. Breeches and boots are preferred during riding lessons. However, long pants and heeled boots are required.
8. "Leave it better than you found it," is a great rule of thumb for all things in life.
9. Clean up after yourself and your horse: Sweep cross-ties, rinse out wash rack and roll up hose when finished.
10. Please groom your horse thoroughly, checking for any cuts, swellings, loose shoes, ect. before and after riding.
11. Always pick feet!
12. Allow 30 mins before and after riding. Groom your horse's sweat marks when through riding, paying special attention to their faces and saddle area.
13. Towel off horse's legs after a bath/shower so he gets put away with completely dry legs.
14. Tack should be cleaned and tied up correctly after each use.
15. Take pride in your appearance. Polish your boots and come to the barn respectfully dressed. No spaghetti straps, belly shirts, or offensive language, please. No hooded or oversized shirts during lessons. Collared shirts are recommended. No flip flops while handling horses.
16. No jumping outside of a lesson unless advised to do so by your instructor. No trail riding alone, or without someone knowing.
17. No outside dogs allowed off leash at any time. Please clean up after your dog.
18. No Smoking!!!!!!!!!!!!!!!!!!!!!!
19. Please drive slowly on the driveway, speed limit **less than 10 mph**.
20. Please feel free to speak to us if you have a question or concern. We are always willing to listen, and will do her best to help.
21. Have fun with your horse!!!!!!!!!!!!!!!!!!!!!!

Additional School Horse Rules

1. Ask questions: No question is stupid, and you usually learn if you ask.
2. Please realize that using the school horses and tack is a privilege, not a right.
3. Use the brushes provided. That means the curry comb, then dust brush, then finishing brush. Don't forget faces and legs! Put brushes away in the buckets.
4. Be sure that hooves are picked well, before and after each ride. This is very important for the horses' soundness.
5. Use boots or polos on the horses as needed. Clean them if they are dirty. Ask if you need help.
6. Use a square pad and half pad on each horse under the saddle.
7. Clean all the sweat marks from the horses when finished. Don't forget faces & girth areas!
8. Please clean all tack after riding, including school saddles. This is also a good time to inspect equipment for safety. Tie up bridles after cleaning and hang up girth, bridle, and martingale and on the correct hook.
9. Allow yourself plenty of time before and after your lesson to properly care for the horse and equipment. Plan on 30 minutes before and 30 minutes after.
10. In winter, un-blanket your horse in the stall or in the cross-ties and leave them folded or hanging neatly. When you are done, be sure that the correct blankets are on and the straps are secure. Back leg straps should be crossed. Ask if you need help.
11. In summer, please roll up the hose and turn off the water after showering your horse. Scrape them down. Towel their legs and return them to their stall with legs completely dry. This is a great time to hand graze!

Thank you all for being part of the team! We are grateful to have each and every one of you at LYSS, willing to learn and grow and care. I, Lindsay, enjoy getting to know each student, each horse, and each relationship. It is my greatest reward in this life to help you reach your goals and grow as horsemen, riders, competitors, and members of our community. Thank you all for bringing all that you do to our program. And, as always, please do not hesitate to call me (614) 348-5915.
