Mission Statement

The mission of Lindsay Yinger Show Stables ("LYSS") is to provide a quality, individualized program which promotes horsemanship and offers instruction to all skill levels in a fun, friendly, affordable atmosphere where we can enjoy horses as athletes.

Program Planning

We are looking forward to you and your family joining our barn family! At LYSS, we understand that students coming to our barn are coming from different backgrounds, with different experiences, and we strive to meet each student and family where they are--whether it's owning a horse or learning to lead one on the ground. Our goal is for students joining us at any level to continue to grow and progress through our program in strides. Please read through our welcome packet where you will find our price list, annual calendar, and copy of our riding school agreement.

We strive to be in touch with each client's equestrian goals so we can tailor an individual program to meet your needs. Once in the spring and once in the fall, plan to have an individual meeting--in person, or via phone or email--concerning schedule goals. Communicating these goals will give me the time and ability to organize a schedule for lessons, showing and clinics, and to set the best schedule for everyone. But as always, ask your instructor anytime if you have questions!

LYSS Academy Riding

We operate on an annual term of 46 weeks on, 6 weeks off, throughout the year to give the lesson horses a break, and receive vet work. We will post the academy lesson schedule on the google calendar page on the LYSS website. *In the event that the weather prevents riding, unmounted horsemanship lessons will be substituted. In the event that weather prevents the barn from being open, a zoom horsemanship lesson or video analysis of your riding may be substituted at your regular riding time. .

The Breakdown

Introductory Lesson - \$100.00 - Will include a tour of the facility, overview of safety rules and procedures, grooming, tacking up, riding time, untacking, and time to schedule your next lesson. Helmets will be provided for the first lesson. After that, we require that each student have their own fitted helmet and appropriate riding boots.

Riding School 2x a week - \$740.00/mo. - Includes access to 2 lessons per week on pre-scheduled days and times. Please note LYSS Academy operates on an annual schedule of 46 weeks on 6 off. Option to lease and ride the same horse every lesson for an additional \$250/mo.

Lesson & Cancellation Policy - Our commitment to our students includes dedicated school horses and/or arena time for your individual lesson, as well as knowledgeable and trusted instruction. In order to honor these commitments to you, I ask for my students' cooperation with the following policy concerning scheduled lessons:

- * Make sure to allow adequate time before and after your lesson to care for your horse and equipment. This typically takes at least 30 minutes before and 30 minutes after.
- * Read the school horse rules. Found on page 7 of the handbook.
- * If you must miss a scheduled lesson, please let me know as far ahead of time as possible. You may also check with me at that time regarding possible dates for a make-up lesson. Please understand that instructors' time, arena space, and school horses are all set aside specifically for your scheduled lesson(s) each week. Therefore, any scheduled lesson that is cancelled less than 24 hours in advance will be charged as if the lesson is taken. You will then have 30 days to make-up that lesson. If the lesson is not made up in 30 days it will be forfeited.

LYSS Summer Camp

Camp - \$395/week - LYSS camps take place 1-3 weeks out of the summer, according to demand. Camps run from 9am - 2pm Monday-Thursday. Our camps focus on offering new, young riders the opportunity to dip their toes in the horse world with daily riding, grooming, horsemanship, and a little extra funtime with crafts and activities. Campers are expected to provide their own lunches and snacks for lunchtime and snacktime.

*We also offer **1-day camps** at \$125 per camper. Friday 9am - 2pm.

lnyinger@gmail.com

The IEA regular season runs from August 15-March 1, but also includes post season shows, by qualification only: Regional, Zone, and National competitions run through April.

IEA Requires a minimum of a one-day per week Academy commitment. We strongly recommend, however, two lessons per week and participation in the IEA practices that are offered @ \$65 per student during the IEA season. Practices are typically scheduled on Fridays after school hours.

LYSS charges a team membership fee of \$150 per student when you join our IEA team. IEA student membership is also required to be completed on the IEA website. rideiea.org
The cost is \$65 per student. Paid directly on the website.

Leasing

Our Introductory leasing program allows students to experience the next level of our sport by allowing showing and introducing them to a higher level of equestrian commitment. This grants access to regional and national shows. We will match you with a horse or pony that is suitable for you via either:

Partial Lease - Student will not owe a lease fee for the horse because it will be a horse owned and already boarded by/at LYSS. Student will be responsible for paying a board fee, vet care, farrier care, and supplements. Student gets to ride 4 days per week, with a minimum of 2 lessons per week and then practice rides for the remainder. Students will be the only individual that has the opportunity to show the horse. These leases are typically on a 6-12 month basis. Students are expected to show a minimum of 4 times per year, or a number proportional to the duration of the lease.

Full Lease - This will require a lease fee up front, plus board, vet care, farrier care, supplements, and any insurance. This can be on a horse already at LYSS or one that we welcome in from elsewhere. Students can ride the horse up to 6 days per week: 2 lessons per week minimum then practice rides and/or professional training rides for the remainder. Students will be the only individual riding the horse daily and also showing the horse, other than professionals and staff/staff-approved riders. Often, these leases are 6-month or annual requirements. Students are expected to show a minimum of 6-8 times per year.

Additional School Horse Rules

1. Ask questions: No question is stupid, and you usually learn if you ask.
2. Please realize that using the school horses and tack is a privilege, not a right.
3. Use the brushes provided. That means the curry comb, then dust brush, then finishing brush. Don't forget faces and legs! Put brushes away in the buckets.
4. Be sure that hooves are picked well, before and after each ride. This is very important for the horses' soundness.
5. Use boots or polos on the horses as needed. Clean them if they are dirty. Ask if you need help.
6. Use a square pad and half pad on each horse under the saddle.
7. Clean all the sweat marks from the horses when finished. Don't forget faces & girth areas!
8. Please clean all tack after riding, including school saddles. This is also a good time to inspect equipment for safety. Tie up bridles after cleaning and hang up girth, bridle, and martingale and on the correct hook.
9. Allow yourself plenty of time before and after your lesson to properly care for the horse and equipment. Plan on 30 minutes before and 30 minutes after.
10. In winter, un-blanket your horse in the stall or in the cross-ties and leave them folded or hanging neatly. When you are done, be sure that the correct blankets are on and the straps are secure. Back leg straps should be crossed. Ask if you need help.
11. In summer, please roll up the hose and turn off the water after showering your horse. Scrape them down. Towel their legs and return them to their stall with legs completely dry. This is a great time to hand graze!
