

Discover the Joy of Music for Little Artists!

General Music and Instrumental Classes for Preschools

Mini Mighty Maestro's

Students will sing, dance and perform instrumental accompaniments to traditional and modern children's songs ranging from the music of popular modern hits, to multicultural world music in a variety of languages.

Group Piano

Students learn to read, play, and create music through a blend of traditional and modern techniques. They practice treble and bass clef, scales, chords, improvisation, and composition, with lessons adapted to each student's ability.

Group Ukulele

Using a variety of pop and folk songs, students will learn chords, fingerpicking and rhythm techniques that they may use to perform pieces or accompany themselves singing.
