

Summer Home Maintenance & Improvement Opportunities

As the seasons change, it's a great time to inspect your home for maintenance needs and plan any improvement projects before small issues become costly repairs.

At SLS Services Inc., we specialize in:
Deck construction and repairs
Siding replacement and exterior renovations
Roofing repairs
Insurance restoration services
Water and fire damage reconstruction
General home improvements and remodeling

Many homeowners are surprised to find loose decking, damaged siding, water intrusion, or other issues that can be addressed before they become major expenses.

We are currently scheduling projects for the upcoming season and would be happy to provide a free consultation and estimate for any work you may be considering.

As always, we appreciate the trust our customers place in us and look forward to helping you protect and improve your home.

If you have a project in mind or would like to schedule a property assessment, please contact us today at **339-832-2069** call/text or email us at **office@slsservicesinc.com**.

Past Customer Special: *Schedule a project estimate before July 31st and receive priority scheduling on all 2026 projects.*
