Franklin Center For Innovation, Inc. (FCFI) is pleased to announce that we recently received our letter of approval from the Internal Revenue Service confirming our status as a public charity and exempt from federal income taxes.

As an approved 501(c)(3) nonprofit, donations to FCFI are tax deductible as allowed by law (retroactively back to August 5, 2019).

Please consider making a tax-deductible contribution to FCFI and join our mission of bringing an innovation center/makerspace to Frankfort, Kentucky! Please email us at fci.space@gmail.com or call **502-382-0367** to discuss your donation.

Obtaining 501(c)(3) status from the IRS is a major administrative milestone for FCFI. Having this under our belt now allows us to pursue grants and other funding opportunities limited to officially-recognized charities. Moreover, our IRS status provides a clear indication to the public of the organization's credibility and sustainability. We are proud of our accomplishments over the past few months since our formation and look forward to pursuing our mission and objectives in 2020 with our community partners.

Please check www.FCFI.space often and follow us on Facebook @FCFIofFrankfort for updates. For questions regarding tax deductions or tax-related matters, please contact your attorney or tax professional.
