**Croton100 meeting Monday 12/16 7PM @ Black Cow**

Hello, folks,

Although Croton100 had a meeting last week (that was rescheduled due to snow), we will keep our regularly scheduled meeting tomorrow night as well. We are trying to stay true to meeting the 1st and 3rd Mondays of each month.

That said, we will use tomorrow night's meeting as a working group time/space at the Black Cow from 7 to 8ish. Those of you that are already involved in a particular working group can feel free to meet and plan together. Those of you who are still getting to know Croton100 or you've been involved and haven't committed to helping on a certain aspect...this might be a good time to just come and ask questions/talk and see where your helping energies could be used best.

Just a reminder: We continue to have access to a matching grant (\$10,000 total) for Croton100 donations. If you feel so inclined to donate before the end of the year, please go to the [Croton100.org](https://croton100.org) and donate through the online link.

**Kind regards,**  
**Croton100**
