# DEAR CUSTOMER,

Thank you for choosing Forevermark Cabinetry, a brand and subsidiary of The Shekia Group, LLC ("TSG"). We are very proud of our products and know that you will be a valued member of our family. TSG stands behind our quality products and friendly service. We are looking forward to helping your business grow. Please feel free to contact our office directly for any questions you may have.

Sincerely,

**Your Forevermark Cabinetry / TSG Team**

1130 King Georges Post Road  
Edison, NJ, 08837

Phone: (732) 372-7668  
Fax: (732) 372-7669

# OUR COMMITMENT TO QUALITY

## STANDARDS

### EPA TSCA TITLE VI COMPLIANT

TSG is constantly striving to meet and surpass all requirements for high quality cabinetry. As such, Forevermark Cabinetry products meet the United States Environmental Protection Agency (EPA)'s current standards for compliance with TSCA Title VI. Labeling indicating compliance is on each box and product. EPA's TSCA Title VI, the Formaldehyde Standards for Composite Wood Products Act, establishes the world's most stringent formaldehyde emissions standards for composite wood products. For more information, please feel free to email [tsg@tsgcabinets.com](mailto:tsg@tsgcabinets.com) or visit [www.epa.gov](http://www.epa.gov).

### DURABILITY

Our cabinets have been independently tested and meet or surpass standards set by the American National Standards Institute (ANSI). Our cabinets comply with ANSI/KCMA A161.1 standard for kitchen cabinets. Testing for these durability standards includes a battery of tests that simulate years of use, including structural, drawer, door operation, and finish tests. **These standards include:**

**Shelves and Bottoms** - After 7 days of loading at 15 pounds per square foot, cabinets and mounting systems must not deflect excessively or show any indication of a joint failing or separating.

**Wall Mounted Cabinets** - Base cabinets are wall hung and wall cabinets are mounted. They are loaded to 600 pounds and exhibit no signs of cabinet or mounting system breakdown.

**Base Joints** - To ensure front joints that won't open under stress during installation or in use, a load of 250 pounds or 200 pounds is placed to the interior of cabinet-front stiles for cabinets with drawer rails.

**Drop Test** - A three-pound steel ball is dropped from six inches above the surface to see if shelves, bottoms, and drawer bottoms can withstand the weight of cans and other objects being dropped on them. After the test, the drawer must not have any visible signs of joint failures or separation and must function normally.

**Weight Test** - Drawers are loaded at 15 pounds per square foot and operated through 25,000 cycles to test their ability to operate with loading during normal use. The drawers must then continue to function without any malfunctions in the operating system or drawer assembly, and drawer bottoms must not be deflected to obstruct drawer operation.

**Structural Strength** - A three-pound weight is dropped eight inches against the drawer assembly to see how well it can withstand the force of closing the drawer in typical use. After ten drops, the drawer-front assembly must not show signs of structural damage or looseness that would make it difficult to operate.

**Stress Test** - Doors are opened and closed 25,000 times in full 90-degree swings. The door must be operable, the door-holding device must keep the door closed at the end of the test, the hinges must not be visibly damaged, and the connections between the cabinet and the door and the hinge must not be loose.

**Load Test** - The door is under 65 pounds of pressure. The weighted door is moved through ten cycles of 90 degrees open, 20 degrees open, and 90 degrees open again. The door and hinges must not exhibit any obvious signs of damage or looseness after being weighted for ten minutes.

**Heat Test** - For 24 hours, a cabinet door is kept in a hotbox set at 120 degrees Fahrenheit and 70 percent relative humidity.

**Cold Test** - After spending an hour in a hotbox set at 120 degrees Fahrenheit and 70 percent relative humidity, a cabinet door is taken out and allowed to return to room temperature and humidity levels. Next, it is placed in a coldbox set at -5 degrees Fahrenheit for an additional hour.

**Spill Test** - The exterior exposed surfaces of doors, front frames, drawer fronts, and end panels are exposed to mustard for one hour and tomato ketchup, olive oil, orange, lemon, and grape juices, coffee, vinegar, and 100-proof alcohol for 24 hours.

**Stain Test** - Depending on the type of door, a cabinet door edge is exposed to a standard detergent formula for 4-24 hours.

# SUSTAINABILITY

We are fully committed to ensuring that our products are environmentally friendly. All our products are independently tested to meet or surpass all California Air Resources Board standards for emissions. We also offer select products with additional environmental certifications.

## GREENGUARD GOLD CERTIFIED

Forevermark Cabinetry is proud to further demonstrate our commitment to the well-being of our customers by offering select lines with UL Environment's GREENGUARD GOLD certification.

The GREENGUARD Certification Program gives assurance that products designed for use in indoor spaces meet strict chemical emissions limits, which contribute to the creation of healthier interiors. GREENGUARD Gold Certification (formerly known as GREENGUARD Children & Schools Certification) offers stricter certification criteria, considers safety factors to account for sensitive individuals (such as children and the elderly), and ensures that a product is acceptable for use in environments such as schools and healthcare facilities. It is referenced by both The Collaborative for High Performance Schools (CHPS) and the Leadership in Energy and Environmental Design (LEED) Building Rating System.

### **What is UL Environment, and what is the GREENGUARD Certification Program?**

UL is a global independent safety science company with more than a century of expertise innovating safety solutions from the public adoption of electricity to new breakthroughs in sustainability, renewable energy and nanotechnology. GREENGUARD Certification is part of UL Environment, a business unit of UL (Underwriters Laboratories). GREENGUARD Certification helps manufacturers create--and helps buyers identify--interior products and materials that have low chemical emissions, improving the quality of the air in which the products are used.

GREENGUARD Certification standards have established performance-based standards to define products and processes with low chemical and particle emissions for use indoors. The standards establish certification procedures including test methods, allowable emission levels, product sample collection and handling, testing type and frequency as well as program application processes, toxicity limits and acceptance.

GREENGUARD Certification strives to protect human health and quality of life by establishing standards and certification programs to reduce exposure to chemicals and to improve indoor air quality. The GREENGUARD standards are among the most stringent indoor air quality standards in the world, and they are based on available standards and guidelines from national and international public health agencies.

### **What does GREENGUARD certification do?**

Volatile organic compounds (VOCs) are chemicals that are released into the air from everyday furnishings, building materials and products—items like office furniture, flooring, wall coverings and cleaners. Once airborne, VOCs can easily be inhaled by building occupants and trigger a number of health problems.

The GREENGUARD Certification mark communicates that representative samples of a product have undergone rigorous scientific testing to meet some of the world's most stringent chemical emissions requirements. This certification helps reduce indoor air pollution and the potential for airborne chemical exposure.

The GREENGUARD Certification standard addresses the needs of the commercial building industry, focusing on products like building materials, seating, and systems furniture. This standard screens for more than 10,000 chemicals and places stringent limits on over 360 VOCs, including formaldehyde. All UL Environment's GREENGUARD standards also include a maximum allowable TVOC level, or "cap" on the level of all VOCs combined, to account for a product's total emissions.

### **How can GREENGUARD Certification help your business?**

Demand for low-emitting products has increased significantly during the past decade. The GREENGUARD Certification program gives you the opportunity to appeal to this growing market by demonstrating that our products contribute to the health and well-being of building occupants.

### **What else can GREENGUARD Certification be used for?**

GREENGUARD Certification is recognized and referenced in numerous building programs, standards and specifications around the world. Products with GREENGUARD Certification or GREENGUARD Gold Certification can contribute to the achievement of points in established green building rating systems, satisfy code or ordinance criteria and meet indoor air quality specific RFP requirements.

The scientific rigor of the GREENGUARD Certification program, combined with more than a decade of educational marketing and outreach initiatives, has made UL Environment's GREENGUARD mark the most recognized eco-label among architects and designers (second only to the Leadership in Energy and Environmental Design (LEED) Rating System). In fact, more than 460 sustainable codes, standards, specifications, and procurements guidelines documents—such as LEED®, Collaborative for High Performance Schools (CHPS), and the International Green Construction Code (IgCC)—recognize, recommend, or require the use of GREENGUARD Certified products.

This standard is designed to define low-emitting materials suitable for environments where people, particularly children and sensitive adults, spend extended periods of time, in particular schools and healthcare facilities.

The above information can be found on [greenguard.org](http://greenguard.org). For more consumer information, visit:  
<http://greenguard.org/en/consumers.aspx>.

Lines with GREENGUARD GOLD certification: AP, GW, SL, AN, TG, PW, PD, PR, PS, AR.

# FOREST STEWARDSHIP COUNCIL® CERTIFIED

Forevermark Cabinetry is proud to offer select products with raw materials that are Forest Stewardship Council® (FSC) certified through its supplier. The FSC® is an independent, non-profit organization that protects forests for future generations, and is the only system supported by groups such as WWF, Sierra Club, Greenpeace, Natural Resources Defense Council, and National Wildlife Federation. The FSC® protects water quality, prohibits highly hazardous chemicals, restricts deforestation, protects customary rights of indigenous people and local communities, prevents loss of natural forest cover, protects high conservation value forests, and limits clearcuts to protect forest ecology.

By purchasing a FSC-certified product, customers can ensure that their product is coming from responsibly managed sources.

**Eucalyptus Grandis** is a consistent, premium hardwood material with the following benefits:

- Durability - used often in high-end applications
- Sustainable & Eco-friendly
- High level of dimensional stability
- Exceptionally versatile
- Superior grain consistency

Lines with FOREST Stewardship Council Certification:

AN, TG, AR, PS, PR (raw materials only)

## WATERBORNE UV FINISHES

### FROM SHERWIN-WILLIAMS®

Forevermark Cabinetry features the use of waterborne UV finishes furnished by Sherwin-Williams on certain door styles. The benefits of waterborne UV finishes include superior scratch resistance, low VOCs, finishes that are formaldehyde-hazard free, and reduction in environmental impact.

Forevermark Cabinetry is proud to offer products manufactured using Sherwin-Williams coatings as part of our goal to offer high performance products designed and manufactured taking steps to reduce environmental impact and meet or exceed the most stringent regulatory requirements.

You can be sure that the solutions you're choosing satisfy the highest standards for performance, while meeting or exceeding regulatory requirements. Which means you'll never have to choose between the best coatings for the environment and the best coatings for delivering a quality look that lasts.

Benefits Include:

- |   |   |
|---|---|
| <ul style="list-style-type: none"><li>• 2.3 lbs./gal VOC or less</li><li>• Water-reducible (liquid coatings)</li><li>• Formaldehyde hazard free</li><li>• Lead and chromate hazard free</li></ul> | <ul style="list-style-type: none"><li>• HAPS free</li><li>• Superior scratch resistance</li><li>• Reduction of environmental impact</li></ul> |

# ORDERING DETAILS

## PLACING ORDERS

Please use the order forms in your catalogue to order Forevermark Cabinetry cabinets and products. This eliminates confusion and errors. 20/20 or ProKitchen files are also accepted. If you need a copy of order forms in .pdf or Excel, please contact us at [tsg@cabinets.com](mailto:tsg@cabinets.com) with your company name, and we will e-mail the files to you. If orders are not indicated assembled or RTA (k/d), they will be invoiced as k/d. Forevermark Cabinetry will not be responsible for orders not placed on our order forms, or for fax/email transmission errors. Please submit all orders via fax to (732) 372-7669 or via email to [orders@tsgcabinets.com](mailto:orders@tsgcabinets.com).

## DESIGN PROGRAMS

The Forevermark Cabinetry catalog is available on 20/20 and ProKitchen. Please note that these design programs are used as a reference and design tool. Actual cabinet specifications, design, and pricing may vary from how it appears in these programs. For actual pricing, please submit your order to our office for quotation. Forevermark Cabinetry is not responsible for pricing or specification variations in design programs.

## CONFIRMING ORDERS

Order confirmations are typically generated and faxed/e-mailed back to the dealer no later than 2-4 hours. If in this time frame you do not receive a quote from us, please call our offices. The order is pending and will not be processed until the order is signed, and confirmed by the dealer, and the confirmation is returned via e-mail or fax to us. Please feel free to indicate if you have any other preferences for ship date (i.e. "Ship 11/7", "Hold until further notice", or "Call to schedule delivery"). If no indication is made, shipments will be sent out according to our lead time. Additional charges apply for orders that are canceled or revised after an order has been confirmed. A daily storage fee will apply for orders requested to be held after confirmed ship date.

## EXCEPTIONAL LEAD TIME

In most circumstances, once an order is confirmed, RTA orders leave our warehouse in 1-2 days from time of confirmation. Assembled orders leave the warehouse in 3-4 days from time of confirmation. This lead time applies to all shipments regardless of shipping method (truck, ground carrier, freight carrier, pickups, etc). Longer lead times may apply for higher volume orders.

## MODIFICATIONS

Moderate modifications (see page 16) are available for an additional flat fee, fees vary and are subject to change depending on the modification. Modification is subject to availability, pending time restraints, may require additional lead time, and is subject to cancellation at any time. Please inquire with our office as to which modifications we can accommodate and pricing as it does vary (typically the increase/decrease of cabinet depth, excluding drawers, and installation of roll out trays). Modified items cannot be returned. TSG and Forevermark Cabinetry reserve the right to refuse any modification request for any reason.

## DIRECT DELIVERIES

Due to our rapid lead-time, delivery schedules are not determined and finalized until the evening prior to the ship date. We make the fullest effort to contact all customers the evening before or morning of their deliveries with an expected delivery time - dealers are always welcome to call our offices the morning of their delivery for their anticipated delivery window. If we are unable to contact you or someone in your office regarding a shipment, the shipment may be postponed.\* Shipments that are re-scheduled the day before delivery, may also incur a re-schedule fee. Note: Additional delivery charges may apply if a delivery is returned to us for any reason and must be rescheduled. Any scheduled delivery waiting in excess of 30 minutes at a stop will be rescheduled automatically.

## DELIVERY FEES

### **Zone 1**

Forevermark Cabinetry provides free shipping for all orders over \$700 within a 75 mile delivery range in NY, NJ, and parts of PA. Multiple orders can be combined to apply for waive of shipping fees. All orders under \$700 will be charged a \$55 surcharge.

### **Outside of Zone 1**

We receive shipping quotes from various carriers to provide you with competitive rates for your area, either using our company trucks or common carriers. The shipping quote for all deliveries outside of our delivery zone will be included in your order confirmation. Alternatively, customers can choose to arrange their own freight (see "Common Carriers/Ground shipments").

### **Residential/Job Site deliveries within Zone 1**

Residential or job site deliveries are available for an additional fee. This includes drop ship only. Inside deliveries may be performed at the discretion of the driver. Shipments that involve deliveries above the ground floor, regardless of elevators or walk-ups, or special circumstances may incur additional fees and must be made known to us at the time of order, or such accommodations cannot be made. Please note that drivers will not be responsible for disposing or removal of packing materials. TSG and Forevermark Cabinetry reserve the right to refuse any residential or multi-floor delivery request.

**Dealer is responsible for remitting payment for all direct truck residential/job site delivery orders the business day before delivery. Rescheduling fees may apply for orders rescheduled day before or upon delivery.**

## COMMON CARRIERS/GROUND SHIPMENTS

It may be necessary at times to send products via outside carriers (i.e. Fed Ex, UPS, etc). A freight quote will be generated on all invoices. When this occurs, the dealer is responsible for remitting payment prior to shipping, either via check, wire transfer, or credit card. Damaged items for carrier shipments must be claimed within seven (7) days. Missing items must be noted on driver's proof of delivery in order for a claim to be processed and a form must be sent into Forevermark Cabinetry (see Replacements/Claims). Customers may arrange their own common carrier or ground shipments by noting accordingly at the time their order is placed. Once the order is ready, we will contact you to advise the shipment information for pick up. At this time, we do not offer expedited shipping services through our carriers and do not accept shipping labels or bills of lading with expedited services.

## PICK UP ORDERS

Dealers may pick up at our TSG/Forevermark Cabinetry warehouse location at 1130 King Georges Post Road, Edison, NJ 08837. Please indicate on your order form if you intend to do so. Please adhere to our lead time for pickups. Pick up times are Monday-Friday, 10am-3pm. We allow tail-gate pickups, as well as personal vehicles. Customer is responsible for loading their own trucks or vehicles. TSG reserves the right to refuse pickups at TSG's discretion. TSG reserves the right to refuse to provide any orders that are not confirmed at least 1-2 days prior to pick-up, although we do make every effort to accommodate walk-in or same day requests.

## WARRANTY INFORMATION

There is a five year limited warranty on factory defects for most door styles. All painted door styles have a two year limited warranty. Forevermark Cabinetry will replace the defective part(s) and ship it to you at our cost using the most appropriate shipping method.

## CLAIMS

When freight is delivered or picked up, please verify that your order is intact and correct BEFORE signing the driver's delivery slip. Any incorrect or missing items claims will NOT be honored once a delivery is signed for. If any items in the delivery appear to be damaged or missing, please note on the driver's delivery ticket and contact Forevermark Cabinetry immediately.

There are times when everything on a delivery looks fine, but when you open the box the item is damaged. Please open all boxes within seven (7) days of delivery. If you do not file a claim or submit a claim form in this time frame of seven (7) days, a claim cannot be filed and the item will not be replaced. Damaged item claims must be made prior to assembly and/or installation. Any damaged item that is installed or assembled will not be replaced.

## REPLACEMENTS

To request a replacement for damages or warranty, please fill out the enclosed Forevermark Cabinetry replacement/return form and fax to Forevermark Cabinetry at (732) 372-7669, or send via email to [claims@tsgcabinets.com](mailto:claims@tsgcabinets.com). Damaged items must be claimed within seven (7) days of delivery.

We may request that all damaged parts/products to be returned upon delivery of any replacement parts, or pictures of the damaged goods. If neither is received in 30 days from delivery of replacements, we will charge your dealer account for the price of replacements. Replacements will not be honored if the item being replaced has been installed or altered. (i.e. handles/holes drilled, etc) Replacements generally take 3-7 days for processing and shipping, but can vary based on part availability.

Please note that items damaged due to shipping and/or incorrect items can only be claimed up to 7 days after delivery date. Missing items must be noted upon delivery on driver's delivery slip(s). This includes and is not limited to shipping damages, dents, or scratches. TSG/Forevermark Cabinetry reserves the right to replace solely the damaged part on both RTA or assembled cabinets, not the cabinet in its entirety. Replacement items ship via LTL or ground carrier. Expedited replacement items or shipping arrangements cannot be accommodated. All damaged items must be submitted at one time. Otherwise, additional charges may occur. Some replacement parts are subject to availability, and may differ from those originally supplied. Replacements parts can only be shipped within 48 contiguous US states, otherwise dealer is responsible for shipping arrangements.

## RETURNS

Cabinets can be accepted for return for up to 60 days after delivery date. We can only accept RTA returns in good condition and original packaging. Assembled, modified or special order cabinets cannot be returned. RTA cabinets that are assembled cannot be returned. All returns are subject to inspection and a 25% restocking fee. Returns are accepted for credit only, and applicable credit will be applied to the dealer account. Credit cannot be given for product returned without the proper paperwork. Orders that are confirmed but are canceled prior to delivery or refused upon delivery will also incur a restocking fee. Damaged goods or items can be returned in accordance with our normal return policies (customers are responsible for return freight and restocking fees).

To request a return, please fill out the enclosed replacement/return form and fax to Forevermark Cabinetry at (732) 372-7669, or send via email to [claims@tsgcabinets.com](mailto:claims@tsgcabinets.com).

## CABINET CONSTRUCTION

Forevermark Cabinetry is constructed from several pieces of solid wood and wood veneers on plywood. Differences in grain pattern and color should be expected. Color differences in wood are the result of variations in minerals found in the soil native to the tree's origin. Absorption of these minerals will vary by tree or parts of said tree. In addition, color changes can be experienced due to different exposure to light. All species of wood will display characteristics such as knots, pinholes, sap runs, mineral streaks, and darkening will age. It is the natural beauty of wood to exhibit these characteristics and they will be present throughout your cabinetry.

## CABINET CARE

Kitchen cabinets should be dusted or cleaned periodically like any wood furniture. Cabinets should be cleaned with a damp cloth and no cleaning materials. Cabinets should be dried immediately. Clean spills and splatters immediately; exposure to spills food or liquids may discolor your cabinet finish. Never wipe your cabinetry with a used dishcloth as it can contain traces of grease or detergents.

## WARRANTY

Forevermark Cabinetry has a two to five year limited warranty on cabinetry parts and hardware, guaranteeing your cabinetry to be free from material or workmanship related defects under normal use to the original owner. For more information, ask a representative for complete details.

### LIMITED WARRANTY INFORMATION

The Shekia Group, LLC d/b/a TSG, LLC ("TSG") warrants its Forevermark Cabinetry products to be free of manufacturer defects that are avoidable, and unnatural defects in material and workmanship under normal use, for five (5) years from the date of purchase by the original consumer purchaser (except for cabinets with painted finishes, which are limited to a two (2) year warranty). This limited liability warranty applies to residential use only at the original site of installation only. This limited liability warranty is non-transferable.

This limited liability warranty does not cover or apply to any defect that is not caused by TSG. This warranty does not cover or apply to products that have been misused; mishandled; abused; improperly stored or installed; modified; or subject to excesses of moisture or extreme temperatures, abrasive or citrus cleaning products, neglect, transit damage, assembly, disassembly, intentional damage, accidents, negligence, on-site alterations, improper storage, defective installation or normal wear and tear. Any modification to the hardware structure or finish of the original consumer purchaser's cabinetry by anyone other than those specifically authorized by TSG to do so shall void this limited liability warranty. The product must be used exclusively for its intended purpose in order to be covered by this limited liability warranty. This limited liability warranty shall become void if the cabinets or any components or parts thereof are in any way modified, improperly installed or damaged prior to or during installation, or installed or used in other than normal residential applications.

This limited liability warranty does not include or cover the cost of installation, removal, subsequent damage or transportation of the allegedly defective product, regardless of whether work was performed by a contractor, a service company or the original consumer purchaser. This limited liability warranty does not apply to any products used in conjunction with the cabinetry, including but not limited to countertops, appliances or plumbing fixtures. Use of cabinetry or any components or parts thereof in any way contrary to any instructions furnished by TSG shall void this limited liability warranty.

TSG's obligation under this limited liability warranty shall be limited to the repair or replacement, at its sole discretion, of any cabinetry or any components or parts thereof that TSG deems proven defective under normal use and service within the warranty period. This limited liability warranty is limited to the repair or replacement of the allegedly defective cabinetry or components or parts thereof, and does not include or cover any other costs, including but not limited to any costs of service, labor, shipment, transportation, removal or installation related to the repair or replacement.

Forevermark Cabinetry cabinets are constructed from several pieces of solid wood and wood veneers on plywood. Differences in grain pattern and color should be expected. Wood characteristics that naturally occur, such as variations in color, grain, mineral streaks and knots, are not considered defects. Color variations and color softening in cabinets are a natural occurrence due to species, age, character of cabinets and exposure to UV light and sunlight. For these reasons, replacement cabinets may not match display samples and/or the existing cabinets in the original consumer purchaser's home. Such variations and changes are not considered defects. This limited liability warranty applies only to defects, and does not apply to the yellowing and aging of any wood product. Forevermark Cabinetry products are wood products, and extreme conditions (high/low humidity, temperature, etc.) will cause any wood product to respond adversely. Accordingly, this limited liability warranty does not apply to cabinetry exposed to extreme conditions. Please note that newly produced cabinets will never be the same color as aged cabinets. TSG reserves the right to inspect any alleged defects in the field to determine if the product should be repaired in the field or in the factory, or replaced, if at all.

Mitered door joints in particular are likely to react to conditions of their environment. Gaps that may develop in door joints due to conditions of their environment are not included or covered by this limited liability warranty. This limited liability warranty does not cover or apply to hairline cracks of cabinetry; hairline cracks are unavoidable in wood cabinets given the nature of the material. Every species and grade of solid wood behaves in such a way as to eventually result in hairline cracks. Painted finishes react differently than stained finish with normal wood movement, and climatic conditions may result in breaks in finish, recesses and joint and panel lines. These conditions are considered a normal occurrence and are not included or covered by this limited liability warranty. Cabinet doors that are warped must be allowed to hang through one seasonal heating cycle (i.e., through a full summer) before replacement will be considered by TSG under this limited liability warranty. Doors that are warped in either direction not exceeding one-quarter inch (1/4") do not exceed normal material expectation and are not included or covered by this limited liability warranty.

## LIMITED WARRANTY INFORMATION (CONT.)

TSG periodically makes changes to its product line and specifications. If a warranty claim is presented for a discontinued or unavailable cabinet or component or part thereof, TSG will replace the cabinet or component or part thereof under warranty with a new cabinet or component or part thereof of the same style or with a similar or comparable style currently offered by TSG. Some replacement cabinets and components and parts thereof are subject to availability, and may differ from those originally supplied. TSG is not responsible for replacement product that may not exactly match installed product, and is not obligated to inform original consumer purchasers of the discontinuance of or changes to product lines and specifications or to make similar changes in all products previously manufactured. Material changes are not a valid reason for an original consumer purchaser to refuse replacement under this limited liability warranty.

Warranty claims cannot be made directly to TSG by the original consumer purchaser. To submit a warranty claim, the original consumer purchaser must contact the dealer or distributor from whom the Forevermark Cabinetry products were purchased and report the nature of the alleged defect. The dealer or distributor will obtain the information necessary to make a claim decision, and forward such information in writing to TSG for TSG's consideration of the claim. If the dealer or distributor is no longer functioning as a business entity, please submit your claim in writing, with proof of purchase, to:

TSG / Forevermark Cabinetry, 1130 King Georges Post Road, Edison, NJ 08837

If a manufacturing defect occurs within this limited liability warranty's terms and conditions and TSG determines to replace the defective cabinet or component or part thereof, TSG will ship the replacement cabinet or component or part thereof to the original consumer purchaser via ground shipper or freight carrier, at TSG's sole discretion.

Please do not send the allegedly defective cabinet or component or part thereof to TSG, unless and until expressly requested to do so by our claims department. Pictures of cabinets or components or parts thereof may be requested by TSG. Making a fraudulent claim may be a crime, and violators may be prosecuted.

This limited liability warranty and its enforcement, and any and all claims or disputes arising out of, relating to or in connection with this limited liability warranty or the making, performance or interpretation of this limited liability warranty, shall be (1) governed by and construed exclusively in accordance with the laws of the State of New Jersey, without regard to the conflicts of law or choice of law principles of the State of New Jersey or any other jurisdiction (including but not limited to U.S. federal law) that would require the application of the law of any other jurisdiction, and (2) brought only in the United States District Court for the District of New Jersey or the New Jersey Superior Court, Middlesex County.

THIS WRITING IS THE COMPLETE AND EXCLUSIVE REMEDY FOR ANY ORIGINAL CONSUMER PURCHASER FOR BREACH OF WARRANTY. THE STATEMENT OF THE EXPRESS WARRANTIES PROVIDED HEREIN IS IN LIEU OF ANY AND ALL OTHER EXPRESS AND/OR STATUTORY WARRANTIES, TO THE EXTENT PROVIDED BY LAW. IN NO EVENT SHALL TSG BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES TO ANY ORIGINAL CONSUMER PURCHASER OR A THIRD PARTY, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITIES, LOSS OF PROPERTY, ECONOMIC LOSS, STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE. ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, COURSE OF DEALING AND USAGE OF TRADE, AND ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARE EXCLUDED AND DISCLAIMED, EXCEPTING ONLY THOSE EXPRESS WARRANTIES SPECIFICALLY SET FORTH IN THIS LIMITED LIABILITY WARRANTY. IN NO EVENT SHALL TSG BE LIABLE FOR ANY INDIRECT DAMAGES RESULTING FROM INSTALLATION, USE OR FAILURE OF ITS PRODUCTS. THIS LIMITED LIABILITY WARRANTY IS TSG'S SOLE WARRANTY, AND NO DEALER, DISTRIBUTOR OR AGENT POSSESSES ANY AUTHORITY WHATSOEVER TO MODIFY OR ENLARGE THIS WARRANTY IN ANY WAY.

# RETURN/REPLACEMENT FORM

email: CLAIMS@tsgcabinets.com

fax: (732) 372-7669

Please fill out this form in full. All fields are required and will not be processed unless this form is filled out in its entirety.

Fax form to (732) 372-7669 or email to [claims@tsgcabinets.com](mailto:claims@tsgcabinets.com).

**RETURN**

**REPLACEMENT**

Company Name \_\_\_\_\_ Date \_\_\_\_\_

Phone Number \_\_\_\_\_ Email Address \_\_\_\_\_

Forevermark Cabinetry Invoice# (required) \_\_\_\_\_ Date of Shipment \_\_\_\_\_

If available, please provide PO# on cabinet box (K/D only) \_\_\_\_\_

Item(s)/Part(s) for return/replacement. Please specify SKU(s) and part (door, drawer header, glides, etc)

---

## **REASON FOR RETURN** (required)

Wrong item or quantity ordered

Other (Please specify) \_\_\_\_\_

## **REASON FOR REPLACEMENT** (required)

---

---

Ship replacement to \_\_\_\_\_

### **Return only**

Please note that returns are only accepted K/D, in good condition, and in original packaging. Assembled cabinets are not accepted for return. Returns are accepted up to 60 days after shipment date. All returns are subject to inspection and a 25% restocking fee. Returns are accepted for credit only to dealer account. Dealer is responsible for return freight. Credit must be used within 6 months of issue. Damaged goods or items can be returned in accordance with our normal return policies (customers are responsible for return freight and restocking fees if applicable).

### **Replacement only**

Please note that items damaged due to shipping and/or incorrect items can only be claimed up to 7 days after delivery date. Missing items must be noted upon delivery on driver's delivery slip(s). This includes and is not limited to shipping damages, dents, or scratches. Replacements will not be issued for any damaged items that are altered or installed (i.e. handles) unless it is an issue under factory warranty. TSG/Forevermark Cabinetry reserves the right to replace solely the damaged part on both RTA or assembled cabinets, not the cabinet in its entirety. Replacement items ship via LTL or ground carrier. Expedited replacement items or shipping arrangements cannot be accommodated. All damaged items must be submitted at one time. Otherwise, additional charges may occur. Some replacement parts are subject to availability, and may differ from those originally supplied. Please see warranty and dealer catalogue for more information.

**Please send photographs of item(s) claimed for replacement to [claims@tsgcabinets.com](mailto:claims@tsgcabinets.com). Photographs must provide evidence of reason for replacement. If photographs are not received within 30 days of claim, TSG/Forevermark Cabinetry reserves the right to charge dealer for replacement items unless arrangements are made to return claimed items.**

I, the undersigned, hereby declare the above information to be true and correct to the best of my knowledge.

# TERMS & CONDITIONS

## **Payments**

TSG/Forevermark Cabinetry accepts various forms of payment: certified check, credit card, and wire transfer.

\*\*Forevermark Cabinetry reserves the right to request certified check for any order at any time.

## **Discounts**

Please see your sales representative for details on discounts that are offered or promotions. (Note: these discounts are available on products only, not on service fees including assembly fees, freight, modification fees, parts, etc.) Your discount will typically be included in your invoice.

## **Handling Fees**

In order to keep our prices competitive, all invoices are subject to a nominal 5% handling fee, which offsets the costs of handling, shipping, and materials.

## **Credit Accounts**

Forevermark Cabinetry is not opening new credit accounts at this time. Please contact your sales representative for details.

## **Taxes and Exemptions**

TSG requires resale certificates for all dealers in every state except New Jersey and New York. Dealers in NJ and NY will be exempt from tax upon remittance of a copy of their resale certificate, or be charged NJ tax. Resale certificates can be emailed to tsg@tsgcabinets.com or faxed to (732) 372-7669. Tax exemptions and compliance may change or vary by jurisdiction. TSG reserves the right to request or deny statements or documents in accordance with applicable laws.

## **Returned Checks**

Forevermark Cabinetry will charge an \$85 returned check and service fee for all returned checks. In addition, any promotional discounts will be removed from the invoice and the dealer is responsible for paying the difference. Any returned checks must be paid in full before additional shipments can be processed. Forevermark Cabinetry reserves the right to request cash, credit card, or certified check payments for shipments from any dealer with multiple returned checks.

## **Overdue Accounts**

Forevermark Cabinetry reserves the right to charge 3% late fee interest on the 1st of each month on all overdue accounts.
