=Travelling to Salisbury was a great unknown for our playing group. Only 5-6 of the A grade players had played against Salisbury at Salisbury previously, therefore the challenge presented to us was to stay adaptable and keep our style of football at the forefront of our minds. This was achieved with great success as the A grade team ran out 93 point winners. The result was setup with a fantastic first quarter of 7 goals to 0, where our midfield dominated, led by a great quarter from Jordan Wilson King and our forwards were working well as a unit. Salisbury came

out with a better game style in the second quarter and our players were slow to react. We lost our structure up forward and allowed the football to be moved through the corridor too easily. Luckily our defence repelled Salisbury's attacks brilliantly and we went into the major break 8 goals to 2 up, but with a bit of refocussing needed. Through strong contested football led by our ruck duo in Dave Cleggett and Neil Veava giving our on ballers Jack Zesers, Nick Chesser and Jordan Wilson King first use, we found ourselves back in the driver's seat with a 6 goal to 3 quarter. Shaun Clarke and

Alex Buckley in their roles down back were dominating any forward attacks by Salisbury and Liverton and Wright started to finish off the good work upfield. The last quarter the flood gates opened a bit as an undermanned Salisbury couldn't stop our quick ball movement as we kicked away with a 5 goal to 0 finish. The season has started well but we are fully aware of the challenges facing us from rounds 3-5 with the predicted top 3 sides all in a row.

We travelled out to Salisbury looking to back up last week's good performance, I asked the players not to get ahead of themselves and not to underestimate the opposition. We started slow and were getting intimidated on the ground a bit how-

ever we were still in the game at ¼ time. Salisbury kicked 3 goals to none in the first ¼ and from then on, we woke up and started to play our style of game, we switched the ball well and they had no answers when we got into open space. We slowly

pegged them back kicking 7 goals to 4 in the last ¾ s to run out winners by 4 points. The most pleasing thing about this win was the fact that they all kept at it and ground out a hard-fought win.

“ground out a hard-fought win.”

On Saturday we travelled out to Salisbury, to Play last year's C4 premiers. After giving up two very quick goals, we fought hard and remained in the game for most of the match. Despite going down by 42 points in the end, everyone who took the field can hold their heads high. Numerous comments

were made from Salisbury players and officials that we took it up to them physically. That is something we should be proud of. It needs to be noted that for the first time in a few years we had 22 players for an away game. The people behind this club should be extremely proud.

Next up is Smithfield at home, if we can bring the effort we have had in the opening two rounds we are a huge chance to get our first win for the year.
