In what was the most challenging conditions to play quality football that I can remember, the Kenilworth A grade had its first hiccup of the year going down to a determined Salisbury by 27 points. With a few changes to last week including the late withdrawel of Nick Chesser, we felt confident that we could put up a good solid performance and continue our winning streak. At quarter time leading 4 goals to 2, it felt like this was the way the game would play out. We were moving the ball well and owning the contest however the weather took a turn for the worse and only one team lifted to the challenge and that was not us. We entered half time only a goal ahead with the midfield evening up and our defensive pressure beginning to drop away.

The second half was one of the more disappointing halves of football I have coached here at Kenilworth with very few contributors as Salisbury piled on 6 goals to 1 and showing our lads what wet weather football really looks like. Jack Zesers continued his good form giving a strong midfield presence throughout the game, whilst Stevo and

Ganey down back showed fight. We enter a tough patch of games coming up and the lads will need to show commitment and a return to the high pressure and desperate football we have shown throughout the year so far to get the victories we need.

Thanks

This week had us up against the other top side in the B grade in Salisbury FC, I knew we were not at our strongest, but we still had a reasonable side in and I was positive about being able to get a result. When we arrived on Saturday it was raining heavily, and Hail was forecasted so the discussion was around getting a fast start, we went out in the first term and did exactly that kicking the first 2 goals of the game. We had the majority of the ball and we were getting it in quick a creating shots on goal, this took us into ¼ time up by 4 pts albeit a man

down as Peter Diamandopoulos dislocated his shoulder in the first 5 minutes. The hail came down which made the 2<sup>nd</sup> ¼ a real slog with scoring shots being a premium and our forward line structure being hurt by the loss of Pete, we went into half time 1pt down and I felt we were not handling the umpiring as well as Salisbury and we were making some silly (dry weather) decisions with the ball in hand. The message at half time

was that the game was going to be a territory battle and we just had to get it forward at all costs and lock it in, unfortunately we didn't appear out of the change rooms for the 3<sup>rd</sup> ¼ as Salisbury scored 2.4 to our no score and this ended up being the margin in the end. We struggled to lock the ball inside the forward 50 all day and allowed them easy exits, we also gifted them 3 goals for the day

with bad discipline and arguing with the umpires. All in all, it was a tough day and with some circumstances against us we put up a good fight, if we got a bit hungrier and had a bit more discipline I think this result could have gone our way. Karl Spedding should be commended for his effort all day in the ruck after ringing me at 10:30am Sat morning sick but still offering to play if we didn't have any other option. Jordan Kerr Played his best game for the year and is starting to gather some form with a bit of continuity and Jordan Plumb put in a good performance in helping out Karl in the ruck.

### KENILWORTH

Goal Kickers: M. Gilmour 3, H. Vince, I. Cooper  
 Best Players: I. Cooper, B. Swadling, D. Souter, H. Vince, B. Wakefield

On Saturday we hosted Salisbury in what was comfortably the worst weather conditions so far this year. We jumped out of the blocks looking to turn the tables on Salisbury. 4.2.26 to zip. Over the next three quarter's, Salisbury slowly worked their way back into the game taking the lead in the last. Unfortunately a few costly mistakes lead to a couple goal loss. The boys will be looking to bounce back against Smithfield this week, who are always a much different prospect on their home deck.

# **KANGAROO CHILI CON CARNE**

## **Ingredients**

500g kangaroo mince  
1 red onion, chopped  
2 garlic cloves, crushed  
2 tbs olive oil  
1 small red capsicum, diced (small)  
400g diced canned tomatoes  
2 tbs tomato paste  
1 can of red kidney beans, drained & rinsed  
2 tsp ground cumin  
1 tsp paprika  
1 tsp ground chili or chili flakes  
½ cup beef or chicken stock  
1 fresh red chili, sliced (optional)  
Fresh coriander leaves

## **Method**

Heat oil in a pan and saute onion until translucent.

Add garlic, capsicum, cumin, paprika and chilies, fry for 1 minute and then add kangaroo meat and stir until browned.

Stir through tomato paste, then add canned tomatoes, beans and stock.

Reduce heat and simmer covered for 10 minutes.

Remove lid and simmer for another 10 minutes or until thickened, stirring occasionally.

Serve with rice, nachos or tacos and garnish with fresh coriander and sliced fresh red chili.
