Make 12 Blocks (each block requires):

Block measures 6.5x6.5" unfinished or 6 x 6" finished

2 at 2.5 x 6.5" Low Volume (light fabric)

1 at 2.5 x 6.5" High Contrast

Making Larger, Longer or Wider:

The quilt featured in the video is without borders and finishes at 42" x 42"

If you would prefer a longer quilt, you would need to add two rows (one of each) to ensure that the pattern repeats properly and then add two blocks of each kind to each side

This would net a finished quilt at 42 x 54" without borders

Each Column or Row set that you add would increase the size by 12" (without borders)
