

## **Ambulance**

Although Boquete Health and Hospice is not an emergency service, we want to share the following information about the options our community has when an ambulance is needed. Do not call Hospice.

For the first 4 numbers, all are free and one would need a Spanish-speaker to call.

1. CSS (Caja Seguro Social) 107 which is a dispatch/call center in PC. They coordinate with Boquete to get an ambulance out immediately.

2. MINSA (Ministerio de Salud) 720-2480

3. Bomberos 720-1224

4. Municipio 6419-8402  
(2, 3 and 4 are here in Boquete.)

5. Dolega 911 free ambulance, patient or caregiver should call, not a third party like Rodny.

6 & 7. Your choice between Dr. Liliana Boya and Drs. Franklin & Xiomara Anguizola

Dr. Boya 6728-3098 \$250

Drs. Anguizola 6675-5563 or 720-4665 (probably \$250)

Dr. Boya and Drs. Anguizola all speak English

**See Next Page for Hospital List**
