

Selfie
“my [own] space”

Our “Selfie” 2 Stall Restroom trailer is a sleek, go anywhere, do anything restroom trailer designed for those who want all the amenities of their own bathroom. A place to get away from the crowd and freshen up... in private.

This unit has separate exterior entries to two private stalls, each with a flushing toilet, sink, countertop, mirror and bright, ambient light.

This trailer can be completely self-contained operating all day on fully recharged batteries and a fresh water tank, or run using power and water hook ups.

Rental options include daily, weekly, monthly and long-term. Additional available services include fresh water holding tank fill up, scheduled waste removal, stocking and cleaning, and restroom attendant.
