

ADA+2 Stall Restroom Trailer

About This Trailer

Our ADA+2 Stall Restroom trailer is perfect for accommodating small to medium size groups of people, including individuals with disabilities. The ADA unit conforms to all applicable portions of the ADA Accessibility Guidelines (ADAAG). This unit is preferred for public events and business remodels requiring restrooms that meet ADAAG requirements.

This private stall unit has three exterior doors. The male stall has one toilet, one urinal, and one sink. The female stall and ADA unisex stall each have one toilet and one sink.

Rental options include daily, weekly, monthly and long-term. Additional available services include generators, fill of fresh water holding tank, scheduled waste removal, stocking, and cleaning.
