

ETHOS CLEAN FUSION *Deluxe*

GRAND REMOTE FOOT SWITCH [GRFS-1]

www.customtonesinc.com

Custom Tones is excited to announce the release of the Ethos Clean Fusion Deluxe Grande Remote Foot Switch [GRFS-1]. The GRFS-1 is designed to facilitate *EASY* and *FULL* remote control of the Ethos Clean Fusion Deluxe Preamp / Amp's primary functions. Locate your ECFD where you want it while still having control at your board.

"Get your Ethos Clean Fusion Deluxe UNDER REMOTE CONTROL with the GRFS-1"

[To order contact us at rob@customtonesinc.com]
