

Hello, Everyone at REEP

I wanted to thank each one of you for making my grandkids Christmas a wonderful one. I hope each of you had a beautiful Christmas. I'm sending pictures however I can only send a few at a time so please bear with me.

Dwayne LOVED his Tablet, he literally cried (and I'm not exaggerating)  
. He said he honestly didn't think he would get one  
. La'Cades and Azalea were ecstatic with the Hello Kitty,  
and Diamond painting as well.

I do not know how to express our gratitude for y'all's generosity.

Thank you for making my grandkids happy. It will never be forgotten.

Sincerely,  
Grandma  
Lillian Shoffner

*Joyful holidays!*
