## Share the Love

### REEP Cares Donation Drive for the THRU Project

This February, **REEP** is proud to support the **THRU Project**, an organization that helps young adults transitioning from foster care and is a non-profit near and dear to the Garza family's heart. By sponsoring the **REEP Cares: Share the Love Donation Drive** as a company, we are helping these young adults with the household essentials they need to get started in their first apartment, some of whom live in our **REEP** communities. Join in so that together, we can help them build a strong foundation by donating much-needed items to make their new spaces feel like home.

#### What We're Collecting:

We're focusing on essential household and personal care items, including:

- ♥ **Laundry Supplies:** Detergent, dryer sheets
- ♥ **Cleaning Products:** Dishwasher pods, dish soap, sponges, kitchen/bathroom cleaners, disinfectants, brooms, mops, trash bags
- ♥ **Toiletries:** Shampoo/conditioner (all hair types), toothpaste, toothbrushes, face wash, body wash, deodorant, feminine hygiene products, lotion, baby wipes
- ♥ **Household Basics:** Towels (hand, dish, body), bedding, paper towels, toilet paper
- ♥ **Over-the-Counter Medications**

#### When:

The donation drive **runs throughout the month of February.**

Let's come together to share the love and make a meaningful impact in the lives of these young adults. Every donation, big or small, helps them start this new chapter in their lives.
