

1.

On April 22, 2023, the Company filed with the State of Nevada a Certificate of Amendment to its Articles of Incorporation, changing the name of the Company to AMJ Global Technology.

2. EXPANDING THE BOARD OF DIRECTORS

On or about March 26, 2024, (i) Robert Stutman was appointed as a member of the Board of Directors of AMJ Global Technology, a Nevada corporation (the “Company”); (ii) Adrian Neilan was appointed as a member of the Company’s Board of Directors; (iii) Jesse Anglen was appointed as a member of the Company’s Board of Directors; (iv) Vern Barkdull was appointed as a member of the Company’s Board of Directors; (v) Roman Phifer was appointed as an Advisor to the Company; and (vi) Wendell Johnson was appointed as an Advisor to the Company.

Robert Stutman, age 81, had a 25-year career as one of America’s highest-profile law enforcement officers as head of the Drug Enforcement Administration’s New York office. From 1998 to 2003, he was the CEO of Substance Abuse Technology, before it was sold to Steve Cohen, and since 2003, he has been the CEO of the Stuman Group. As founder of The Stutman Group, he speaks to thousands of individuals annually, including major corporations and medical professionals. He has worked as a special consultant on substance abuse for CBS and PBS News and has worked as a drug consultant on a number of films and documentaries. He has traveled with the DEA to 73 countries and has met and discussed drugs with First Lady Nancy Reagan and three sitting presidents: George H.W. Bush, Ronald Reagan, and Bill Clinton.

Adrian Neilan, age 54, is a senior leader with international experience and an exemplary career, driving business growth through innovation and transformation across high-profile diverse multi-sector businesses including some of the world’s most recognized and well-loved brands – Deepbridge Capital LLP, Trinity College Dublin, Greyhound Racing Ireland and NYSE listed Hewlett-Packard. From January 2014 through November 2019, he was Commercial Director of Trinity College Dublin (Ireland), and since November 2019, he has been the COO of Deepbridge Capital (UK). He obtained a BA in Engineering from Trinity College, Dublin, a MSC in Computer Science from Trinity College, Dublin, and an MBA from Dublin City University.

Jesse Anglen, age 37, is Co-Founder of Rapid Innovations and a visionary entrepreneur who has been shaping the future of entrepreneurship for over a decade, with a focus on the cutting-edge web3 space. His instrumental role in revolutionizing the software development landscape began with a career in real estate, but in 2014, Jesse transitioned into the realms of blockchain and cryptocurrency, engaging with industry titans like Vitalik Buterin of Ethereum and Charlie Lee of Litecoin. Jesse founded Rapid Innovation, a web3 blockchain and AI software development firm that harnesses the power of more than 300 brilliant minds. From February 2018 through January 2019, Jesse was the Managing Development of the Peg Protocol and Project Team Lead at Peg Network. Since January 2019, Jess has been the CEO of Rapid Innovations.

Vern Barkdull, age 47, has been in the financial industry for over 25 years. Vern has a unique background spanning the three financial fields of banking, insurance, and investments. He began his career in banking serving as the CFO of a credit union managing Corporate Investments, ALM, and Risk Management. He then joined an investment banking firm as a partner focusing on M&A, Angel Investing and assisting companies to move from the private to the public sector. Vern then partnered with his family’s insurance and investment brokerage firm, which has several hundred insurance agents nationwide. Since 2008, Vern has been the Co-Owner and partner of Barkdull Financial, and he holds insurance and securities licenses.

3. ADVISORY BOARD

Roman Phifer was hired by the Denver Broncos as Senior Personnel Executive on May 18, 2021. A 21-year NFL veteran as a player/coach/scout and a three-time Super Bowl-champion linebacker, Phifer spent the 2021 campaign assisting the pro and college scouting department. Phifer spent the previous three seasons (2018-20) with the Detroit Lions as West Coast Area Scout. Previously, Phifer worked as Director of Player Development at his alma mater, UCLA, from 2016-17 and oversaw aspects of day-to-day player welfare and life skills. He also worked closely with the university's staff to monitor scholastic progress and was the primary facilitator for the Bruins' football community outreach. As an All-American linebacker at UCLA, Phifer was selected by the Los Angeles Rams in the second round (31st overall) of the 1991 NFL Draft. He played eight seasons (1991-98) with the Rams before going on to play with the N.Y. Jets (1999-2000), New England (2001-04) and N.Y. Giants (2005). A four-time Pro Bowl alternate ('95, '96, '01, '03), Phifer was a part of three Super Bowl-winning teams with the Patriots (2002, '04-05). During his 15-year NFL playing career, Phifer appeared in 212 regular-season games (177 starts) and totaled 1,123 tackles (858 tackles), 29 sacks (181.5 yds.), 11 interceptions, 65 passes defensed, 12 forced fumbles and eight fumble recoveries. He added 42 tackles (30 solo) in nine career postseason games (7 starts).

Dr. Jerry Doby, is a decorated military veteran and esteemed journalist. Retiring from the military due to service-related injuries, he transitioned into a successful career in communications. Dr. Doby has been Editor-in-Chief of The Hype Magazine since August 2012 til present, he has a proven track record in journalism and effective communication. Holding a Doctorate in Communication, Dr. Doby has been published in the Cognitionis Scientific Journal and is a certified TESOL English teacher. He has also produced notable projects such as the USO Celebrity Basketball Tour for the NBA. Recognised for his achievements, he was honored with the President's Lifetime Achievement Award from President Joseph R. Biden

Paul Ring began his success as a recording engineer on the Grammy-winning recording of "Boogie Oogie Oogie" with "Taste of Honey". Ring sustained that success as both a recording engineer and Producer for the next 10 years with Gold and Platinum albums on artists such as Smokey Robinson and Bobby Caldwell. Ring is the founder and was the chairman and CEO of Bungalo Records from 2000 to 2022. From 2023 til the present, he founded and is the chairman and CEO of Bungalo Records and Film. Mr. Ring has accomplished what most could not: sustaining a relationship with Universal Music Group for the past 27 years. Ring was President of Private I Records through Universal that featured artists Rick James, James Brown and Tupac Shakur. Ring then launched his own label Bungalo distributed by UMG which has featured some of the most iconic artists of our time, including Patti Labelle , Morris Day and Latoya Jackson

Wendell Johnson is a co-founder of We The Culture, LLC, a web3 entertainment studio that specializes in NFT production, Metaverse building, blockchain construction, and decentralized ID. Before devoting his work full-time to We The Culture, Johnson served as tour manager/artist manager for one of the most successful Hip Hop labels ever whose clients include Drake, Lil Wayne, Nicki Minaj, Tyga, DJ Khaled, and Birdman. He also manages rapper, songwriter, and producer Warren G.. Johnson has successfully structured, organized, and led tours in multiple markets for consecutive years. He is currently a thought leader in the NFT space, writer, and director of film, podcast host, husband and consultant for major production companies and artists.
