STEM ADVENTURES BUILD & DISCOVER

Explore & Create

Ignite your imagination and curiosity with our brand-new lunchtime program! This isn't just a building club—it's a high-energy journey through the worlds of Science, Technology, Engineering, and Math. Each week, students embark on a new "hands-on" mission, designing incredible structures and conducting experiments. From engineering mega-structures to producing digital movie magic, every session is a truly unforgettable experience!

Weekly Highlights

-  MEGA-STRUCTURE CHALLENGE
-  EPIC SCIENCE ERUPTIONS
-  MARBLE ROLLER COASTERS
-  FX MOVIE CREATIONS
-  ULTIMATE LEGO CITIES
-  WEEKLY MYSTERY SURPRISE
