

Volunteer Application

We appreciate your interest in joining the volunteer team at Mitten Misfits Farm Sanctuary. We love and appreciate our volunteers, but we ask that you carefully read and sign the following before submitting your application.

- It is important that you only apply if you are very committed and available to volunteer and can meet the expectations of volunteers.
- You would be expected to do a minimum of at least 2 shifts per month (regular weekly shifts would be preferred). Each shift lasts 3 or more hours. You are expected to stay until chores are done!!
- Volunteer tasks are mostly cleaning animal stalls which means shoveling lots and lots of poop, washing and filling water bowls/buckets, clearing paddocks of animal waste, etc.
- At Mitten Misfits the work is physically strenuous oftentimes requiring lifting/carrying 25-50 pounds.
- When you become part of the Mitten Misfits volunteer team you are making an important commitment to the animals, the sanctuary, and other team members. **Failure to show up, or if you cancel scheduled shifts consistently, could lead to you being terminated from Mitten Misfits.**
- The animals are the most important part of Mitten Misfits. You are expected to care for them in a loving and respectful way. At no time will any animal abuse be accepted. Abuse includes verbal and/or physical.
