

# Teknox

## Paintwash Solvent

A versatile, safe solvent that removes all types of partly cured paints, resins and adhesives. Including metal and epoxy-based paints. Formulated from oxygenated solvents of very low toxicity, Teknox Paintwash is excellent at removing oil, grease, coatings, inks, semi-cured resins, paints, graffiti and adhesives.

- VOC Free
- High Flash Point (99°C)
- Low hazard profile (No occupational exposure limits)
- Versatile

### Application

- Use as required in wipe, soak, immersion or paint cleaning equipment applications.
- Can be rinsed off residue free with critical cleaning solvents if required.

### Technical Data:

- Appearance: Colourless liquid
- SG: 1.08
- Flash Point: 99°C
- VOC Content: Negligible

### Packaging

- Supplied 25L
- 200L containers
- Also available in 12 x 0.5Lt Trigger Sprays

### Safe Handling & Storage:

- Store in original containers and avoid extremes of temperature.
- For guidance on handling and disposal, see our Safety Data Sheet.
