Also present:	Anthony K. Tobolski	Executive Director

	Raymond Torres	Office Coordinator
	Carol A. Ricci	Executive Assistant

The Chairman asked if there were any general public comments or comments on the proposed Resolutions. There were none.

Resolutions:

It was moved by Miranda and seconded by Angelo that Resolution No. 2025 – 44, “A Resolution of the Landis Sewerage Authority authorizing a special meeting to re-advertise for bids for the Little Robin Pump Station Improvements pursuant to the Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq...” be adopted. Roll call: Miranda, Angelo and Reuben voted “yes”.

Executive Director

Anthony Tobolski stated that he is asking for re-advertisement of the Little Robin Pump Station re-hab project. The reason for the special meeting is that the I-Bank grant we are receiving requires that we award the bid before June 30th so obviously we could not wait until the June 2nd meeting to advertise. At the bid opening held on Thursday, May 22nd, we received no bids due to the BABA (Build American Buy American Act). Contractors could not find American Built variable frequency drives, generators or pump controllers in time for the bid and would not risk bidding with no assurance of getting paid for those

products. We have expectations that they will be able to get prices given the extra time afforded with the re-advertisement.

Adjournment:

At 9:03 a.m. there being no further business to come before the Board, it was moved by Miranda and seconded by Angelo that the meeting be adjourned. Roll call: Miranda, Angelo and Reuben voted "yes".
