

Join us for an informational meeting at the Linthicum Library March 25th

LEARN HOW TO MAKE YOUR YARD INTO A HOME USING NATIVE PLANTS!

March 25th Linthicum Library

6pm- 7 pm

Bring a photo of your yard, we will
help you get started on building a
native garden!

If you have a garden, big or small, or if you have a new garden. Add some native plants. It is good for the environment, good for the community and good fun. Plus you might win \$250 and get free plants. Join the fun to make Linthicum and Ferndale a haven for native plants and butterflies.

*Ask us about the
Linthicum Ferndale Native
Garden Contest*
