LET'S MEET THE CANDIDATES FOR 2024

Dylan Gambill

I would like to join the CLGPOA Board of Directors, because I want to be a part of my immediate community. My past work experiences and education have made me familiar to ecosystems management and construction projects. I have a BS in environmental and years worth of capturing boats on Tx. Coast. I have a young family with 3 kids that love our parks. I want to help maintain what we have, help institute processes to keep it for future generations. I look forward to serving my community.

Donald E. Gonyer

I am a good candidate for the Board of Directors of our POA with the following reasons: Worked for the government for almost 40 years between military services (Vietnam Vet) and civil services (retiring this Dec.) Member of my city's fire company for 30 years. Owned my own business . Husband and father of 2 sons, both grown. I have lived in the community for 4 years now and have no plans to go anywhere. I want to make this community the best place to live for all of us. I will work hard to make sure all our voices are heard.

Kent Gillespie

I was born and raised on a farm and ranch between Woodsboro and Bayside Texas. Upon graduation from Woodsboro High School and Del Mar Jr. College in Corpus Christi, I obtained my B.S. and M.A. degrees from the University of Houston. I then spent 38 years working for the Houston I.S.D. as a History/ science teacher and later as an administrator. After retirement, my wife and I moved full-time to our house in C.L.G. circa 2005

Larry Young

I would appreciate your consideration for election to the Board.

I have volunteered with the POA and worked hard to help improve our community for 7 years— since my wife and I became members in 2017. I was appointed to the board in September 2020 and then elected in 2022, and I have served a board vice president, president and secretary. I also have overseen improvements and cleanup at Guadalupe River Park, led environmental conservation efforts for Rebecca Creek, established a committee to guide fair and reasonable restrictions enforcement and helped draft needed bylaw changes for member approval.

I volunteer whenever possible, helping with road improvement planning and repairs, improvements at Cypress Lake Gardens Park and elsewhere, an supporting our community events. Outside of CLGPOA, I work at USAA (24 years) as a digital/technical product manager, and I enjoy playing in the river (when it's nor dry) and hiking in the surrounding Hill Country.

LETTER FROM THE PRESIDENT

Hello Dear Members,

I love Cypress Lake Gardens. I mean it.. I really love our community. I have been a member of Cypress Lake Gardens since I was born in 1970. It's the most beautiful place in the world to me. I fondly remember learning to swim in Rebecca Creek and it's the only place I ever saw my grandma away from her house in San Antonio. She helped me in the water and told me not to be afraid. A lot of time and people have passed sine then. Our community has seen its ups and downs. It is growing like never before. I am here to help us get through these times. Please support your neighbors and your community and let's make this the best place for our kids and grandkids. God bless you all.

Sincerely,

Scott Postert

President CLGPOA
