Welcome To Little People's Preschool!

Thank you for entrusting us with your child's first steps into their life of learning in an Education setting.

We have been busy planning and preparing to make this a memorable experience for You AND your Child

This Month We plan to discover the classroom and learn Preschool routines. We will learn about ourselves and each other. We will discover our likes and dislikes, Make new friends and learn what they like and don't like. We will learn about our families and our pets or pets we wished we had!

We will discover the letters F & A

In October we will be sending home a "Student of the Day" Calendar, This is new and in place of "Show and Tell" Student of the day puts more focus on the child as apposed to an object. So there is no need to send toys or articles from home. We will be asking questions more directed at your child about them.
