Free Play

Free Play is a very important part of your child's daily routine. This is the time when children choose their own activities and interact with their classmates. A lot of social development occurs as children discover the ins-and-outs of sharing, who has the same interests as them, and how to verbalize their wants in a manner that is most effective in getting those needs met.

Circle Time

Circle Time is when the children will learn good listening and observation skills. They will also learn about respect for those talking, turn taking, and patience. During Circle Time, children will sing songs, be introduced to letters and numbers, and learn about the various themes we will study. Little People's Preschool will try to provide children with as many different opportunities as possible to learn educational concepts. We plan to explore math, language arts, fine arts (drama, drawing, and painting), science, physical education, health and well being to name a few.

Gym Time

Gym time aids in the development and improvement of gross motor skills. The students play games, explore the gym equipment, practice listening, following directions and taking turns.

Snack Time

Snack time provides the opportunity for children to practice their table manners and for social interaction in a relaxed atmosphere.

- *Please be sure to only send 1 or 2 items AND a water bottle*
(no juice boxes)

Table Time/ Craft Time

Table time is when the students work on building their fine motor skills.

Activities include:

- Table Top Toys
- Pre-printing
- Scissor skills
- Puzzles
- crafts

Show & Tell

Show & Tell is the perfect opportunity for students to take centre stage. This is a special time for students that they enjoy very much. A child's self-expression, as well as their social awareness are awakened during this time. Show & Tell also offers the student audience the opportunity to formulate who, what, where, when, why and how questions. Students will regularly be invited to bring something special.

A schedule for Show & Tell will be issued monthly.
