Inner Journey Retreat

ON

THE CONFERENCE OF THE BIRDS

NUWEIBA | NOVEMBER 24 – 29, 2026

Come journey with us!

SIX DAYS BETWEEN THE SEA AND MOUNTAINS OF SINAI...

Journey through
Attar's Conference of the Birds,
an ancient tale of longing, surrender, and
awakening,
and a mirror for the soul's search
for what it has never truly lost...

More than a story,
a map to be lived,
through the valleys of transformation,
toward the mystery within...

with

Dr. Khaled ElSherbini
