

The Source for Foundation Females

The 21st Annual Herd Builder Braunvieh Female Sale

**NEW
DATE**

**Saturday, November 4, 2023 • 1 p.m.
3 Cedars Event Center
Nevada, Missouri**

THE 21st ANNUAL HERD BUILDER BRAUNVIEH FEMALE SALE

To our Cattlemen Friends and Braunvieh Enthusiasts,

Each year the Braunvieh breed gains more exposure in the cattle industry. And this year the breed has made strides to improve our genetic evaluations, our breed records and customer service while maintaining the innate functionality of Braunvieh.

Braunvieh has much to offer the cattleman like mothering ability, carcass quality, good temperament, and sound structure. If you already have Braunvieh cattle, we think you'll be pleased with the quality offered in this sale. If you're studying the breed and how it could fit in your operation, come to the sale, evaluate the cattle, and make your decision about what the breed can do for you.

The quality of the cattle in this sale will certainly make it worth your time to examine them online or in person, and then put your bids in on sale day.

- Cattle will be displayed in outdoor pens prior to the sale.
- Cattle will be on display starting Friday afternoon. This will be a good time to get in the pens and evaluate the offering before the sale day crowd arrives.
- You can bid online through Pfeifer Brothers Auction.
- You can join our conference call to bid over the phone.
- Contact any of the consignors for assistance with buying.

The founders of the Herd Builder sale set a quality standard to bring you superior Braunvieh females. When building a cow herd, few traits are more important than efficiency, fertility, and mothering ability. The Braunvieh momma cow excels at each of these traits, and you will find excellent examples in this offering

Join us Nov. 4th for a complimentary pre-sale lunch prior to the auction. We look forward to sharing a conversation about our cattle with you.

Thank You,

The Braunvieh Herd Builder Consignors

If you would like to eat at Gobbler's Roost restaurant (at the sale site) Saturday evening after the sale, call now (417) 448-4853 for a reservation as they will sell out early. See their website www.gobblersroostrest.com for the menu.

NEW DATE

Saturday,

Nov. 4th, 2023

1 p.m.

3 Cedars Event Center

Nevada, Missouri

The facility is located approx. 10 miles south-east of Nevada MO.

Please visit their website for more detailed directions

<https://www.gobblersroostrest.com/>

GPS address for the sale:

24327 E. Old Town Road

Nevada, MO 64772

There are Braunvieh bulls at the Green Springs Bull Test down the road from the Event Center. We invite you visit the facility to view and evaluate these bulls.

The cattle will be on display at the sale facility Friday, November 3rd. Come early, look through the cattle and enjoy a visit with us about our programs.

The sale will have a casual dinner Friday evening at 6:30 p.m. at the Event Center. All attendees are welcome to join us.

 W/W Cattle Co. Lots 15-16

Braunvieh EPDs: The BAA transitioned to IGS EPDs two years ago. With over 19 million animals of multiple breeds, this is a stronger genetic evaluation than any one breed could do alone. By switching to the multi-breed genetic evaluation with IGS, the baseline for BAA EPDs shifted to coincide with the other cattle in the database. To better understand the baseline, we have included percentile rank

on animal's EPDs. EPDs in this catalog were current Sept. 29, but with weekly calculations, may adjust by sale day. View current EPDs in the BAA database: braunvieh.digitalbeef.com

Breed Average EPDs for Non-Parent Braunvieh (young cattle)

Sale Day Phone

(785) 766-8713

Online Bidding Details

Pfeifer Brothers Auctioneers will be providing online bidding access. Go to: www.pfeiferbrothersauction.com and click on "Upcoming Auctions". Click on "Get Approved to Bid" and follow instructions. The sale lots will be posted to that site prior to sale. If you have questions, call Jason Pfeifer (785) 483-1805.

Sale Day Conference Line for Bidding

We encourage everyone possible to use the Online Bidding Service. However, if you don't have adequate internet service for bidding you may call the conference call line to listen to the auction and place bids. **Please call Marilyn at (785) 766-8713 at least 1 hour prior to the sale** to register to bid and obtain the conference call phone number, access code, and a buyer number. The conference call line will open 10 minutes prior to the sale start and remain open during the entire sale, as long as there are bidders on the call.

Sale Accommodations

Country Inn & Suites by Radisson (417) 667-9292
 Holiday Inn Express & Suites (417) 283-6177
 Americas Best Value Inn & Suites..... (417) 667-6777

Sale Staff

Jesse Bolin, auctioneer..... (417) 830-2835

Terms & Conditions

Terms of the sale are cash or check (payable to Herd Builder Sale) with proper I.D., and settlement must be made sale day and/or before anything is loaded or leaves the sale

facility. Every lot will be sold to the highest bidder, with the auctioneer settling any bidding disputes. Announced changes in catalog information sale day will take precedence over printed material in the catalog.

Registrations and Transfers

A certificate of registry and transfer will be furnished for each animal at no cost to the buyer within 45 days after settlement of animals purchased.

Delivery

We will assist buyers in arranging shipment.

Health

All cattle will have proper health certificates for shipment. If your state requires TB tests, please contact individual consignors prior to the sale regarding testing.

Insurance

All animals become the property of the purchaser and will be at purchaser's risk at the time of sale. Insurance will be available should buyers wish to purchase it.

Liability

All persons attending this sale and related functions do so at their own risk. The sale consignors and 3 Cedar Event Center assume no liability, legal or otherwise, for any accidents or illness that may occur.

Air Transportation

Major airlines have regular service into Kansas City, Mo.

Absentee Bids

If you wish to make purchases but are unable to attend this sale, please contact one of the consignors.

Herd Builder Genetic Defect Guarantee

The cattle in this sale are guaranteed to be free of known Genetic Defects as outlined in the Braunvieh Association of America Rules and Regulations. If an animal sold in this sale is found to have a genetic defect, it will be the responsibility of the seller of that animal to satisfy the buyer with a refund or replacement. Buyer must contact seller within 12 months from the sale date to implement the guarantee.

- We've always felt that to be successful you have to offer your best and in this pair you can see that we have. Sired by the 3111 bull who was the top selling bull in the McBee 2015 Spring Selection Day with her dam going back to the 843U cow that has made such an impact in our program.
- The jewel of this lot is the heifer calf at side. Sired by Toronto, who made his mark in the show ring and is now leaving his mark as a breeding bull, we feel she will leave her mark on any program. This is a pair we are proud to offer and one we know you will be proud to own.
- Lot 15A:** WW MY CANDITA 378L, PB107918, DOB: 9/2/2023, BW 75 lbs, sired by BLC Toronto 618D, PB90074

- If you're looking to add calving ease to your herd, look closely at this pair. The dam is in the top 2% of the breed for BW and top 5% for CED. Her sire is EZ Sleep, highly proven for calving ease and sires beautiful daughters like this and useful bulls. Her bull calf has calving ease in him from all directions. This first calf heifer calved at 23 months. The only reason we are selling females like this is that we haven't had rain, grass is short and ponds have gone dry.
- Lot 24A** – Polled Purebred bull calf, BLC Spanky 783L (PB108009), calved 8/13/2023, birth wt. 69 lb., sired by BLC Tru Poll Ranger 516T. Ranger has given us beautiful daughters through the years, and this son could be exciting. Brinks will retain an in-herd semen interest in 783L.

BLC EZ SLEEP 811G - Sire of lots 23A, 24 and 27.
Grandsire of Lot 25A..

- I may be making a mistake letting this cow go, but John says I have to make cuts in every herd. She's raised 5 bull calves that have gone on to make herdsires for other Braunvieh breeders and some to commercial herds. They have all tested well on gro safe systems. Her 2020 bull calf was junior calf champion at the gain test at Rio Beef Feeders in Raymondville Tx.
- JBB Laurel is the first heifer she's had and I think she'll make an nice addition to anyone's herd.
- Lot 41A-** JBB Laurel 381L, P107866, calved 5/10/23, sired by JBB Mr. P 039 ET, OB99445.

This heifer will surely stand up to her name! This heifer was shown at nationals and is out of the well proven Red Angus bull "9 Mile One of a Kind", her dam has had multiple heifers, always unassisted. This is one we hate to let go of. Star Gazer is an easy keeper and has kept her condition through the drought. She is one that you can't find much wrong with, especially at this age. She will be ready for breeding when she gets to your place!

Lot 48 & 48A - GI MS SELENA 6203 D532 1170 & HEIFER CALF

- This pair is surely not to disappoint. Selena is out of an excellent cow who has a calving ease off the charts and has produced many heifers. This first calf heifer had no trouble calving and held her condition even through the drought!
- Lot 48A**- Polled heifer calf, GI MS An5209 1170 3510, BC107929, calved 8/27/23, BW 55 lbs, sired by Sydgen Enhance, a very well known Angus bull. She has great composition and demeanor. We hate to see this heifer go but we know she will really add to someone's herd production!

- This polled purebred cow is the genetic package that we were looking to build here at WCCR. Not only is her sire the great Stetson bull but her dam goes back to the powerful Preferred Stock. Both lines that have consistently produced functional, sound, and desirable calves every time. Did we mention she's only a three year old and bred Mr. HLJ Payday D626, PB91521. We know this calf will be some thing special no matter if it's a heifer or bull.
- Exposed from 5/4 to 10/1. Pregnancy information closer to sale time.

- This fall polled heifer is going to make friends come sale day. Study this one for how much bone and natural muscle this female has. Foxie Roxie will be halter broke by sale time. Making her a great candidate for some junior breeder. Sells open.

Lot 59 - WCCR HORIZON'S FOXIE ROXIE 2121

Braunvieh Performance Info & EPDs

CED EPD - Predicts the ease the progeny of the individual will be born. Higher positive number indicates easier calving.

BW, WW & YW EPD - A higher number indicates heavier weights in each category.

MILK EPD - The part of weaning weight that is due to the dam's milking ability. Higher number indicates a heavier milking dam.

TM EPD - Reflects growth to weaning age plus milk to weaning time. Calculated by adding $\frac{1}{2}$ of WW + MM = M&G.

CEM EPD - Indicates the ability of a sire's or dam's daughters to have a calf at two years of age. Higher positive numbers indicate easier calving for the daughter of the individual.

API Index - The All Purpose Index evaluates sires for use on the entire cow herd with a portion of heifers retained for replacements and the remaining heifers and steers put on feed. The API uses traits such as Stayability, Calf Survival, Cowherd Intake, Heifer Pregnancy %, Marbling, Carcass Weight, Feedlot Intake, Weaning Weight, Yield Grade, Salvage Value, and Milk to provide a balanced Index \$ Value. Higher numbers desirable.

Birth wt. - Actual birth weights are given.

Weaning wt. - 205-day adjusted weaning weights and ratios are given if available.
