THE 17TH ANNUAL HERD BUILDER BRAUNVIEH FEMALE SALE

Saturday, November 2, 2019 • 1 p.m.

**Mid-Missouri Livestock Center
Marshall Junction, Missouri**

THE 17TH ANNUAL HERD BUILDER BRAUNVIEH FEMALE SALE

To our Cattlemen Friends and Braunvieh Enthusiasts,

The founders of the Herd Builder sale set a quality standard to bring you the best Braunvieh females available. In this 17th annual sale, that same attention to quality ensures you will find females here on Nov. 2nd with the traits that have made the Braunvieh breed an awesome contributor to the nations' cow herd.

When building a cow herd, there are few traits more important than efficiency, fertility and mothering ability. When you look at a Braunvieh momma cow, you'll find those are the traits in which she excels. And you will see those traits in this offering

This year's lineup features 16 fall calving pairs and heavy bred cows as well as 28 open heifers, 9 bred heifers and 21 spring calving bred cows.

You can view the cattle Friday afternoon and Saturday morning. Then join us for a complimentary pre-sale lunch. We look forward to sharing a conversation and our cattle with you.

If you are unable to attend in person, we have employed the services of an Online Auction company so that you will be able to follow the sale and bid online. If your internet service isn't adequate for online bidding, we will again have a conference call option for phone bidding. See the terms on the following page for details on the Online and Conference Call options.

We appreciate your interest in the Braunvieh breed.

Thank You,

The Braunvieh Herd Builder Consignors

Braunvieh Performance Information & EPDs

Birth wt. – Adjusted birth weights are given (adjusted for age of dam). Ratios that are below 100 indicate calves that weighed below the average of the contemporary group and ratios above 100 weighed more than the average of the contemporary group.

Weaning wt. – 205-day adjusted weaning weights are listed.

CED EPD – Predicts the ease with which the progeny of the individual should be born. A positive number indicates easier calving.

BW EPD – A higher number indicates heavier birth wt.

WW EPD – A higher number indicates heavier weaning wt.

YW EPD – A higher number indicates heavier yearling wt.

CEM EPD – Indicates the ability of a sire's daughters to have a calf at two years of age. Higher or positive numbers indicate easier calving for the daughter of the individual.

MM EPD – The part of weaning weight that is due to the dam's milking ability. A higher number indicates more milk.

M&G EPD – Reflects growth to weaning age plus milking production to weaning time and is calculated by adding 1/2 of WW + MM = M&G.

Breed Average EPDs for Non-Parent Braunvieh (young cattle)

Online Bidding Details

The Herd Builder Sale has employed the services of an online auction company for bidders to view the sale live and to bid and purchase lots online. Please note the following details and the AuctionZip charges:

- Auction set-up is through AuctionZip. Computer or phone app bidding is available.
- **Contact Jason Pfeifer (785) 483-1805** prior to the auction to register to bid. You must furnish valid credit card information to complete bidder registration.
- Buyers must either pay by credit card or submit Money Order or Cashiers Check to be received within 14 days post auction (by Nov. 15) or payment will be forced by credit card.
- AuctionZip charges the purchaser a **5% buyer's premium** on all animals purchased through the online platform.
- **An additional 3% premium will be charged for credit card purchases.** If payment by cashier's check or money order is received by The Herd Builder Sale by Nov. 15, the 3% additional premium will be waived.
- Online purchasers: Make cashiers check or money order payable to Herd Builder Sale, and mail to Marilyn Brink, 765 80th St., Piedmont, KS 67122.
 - Credit cards accepted: MasterCard, VISA, Discover.
 - You can view live video on the AuctionZip site and bid online. Proxy bidding will also be available for you to place bids prior to the sale.
 - If you have questions on online bidding, please call Jason Pfeifer (785) 483-1805.

Sale Day Conference Line for Bidding

We encourage everyone who can to use the Online Bidding Service. However, if you don't have adequate internet service for bidding you may call the conference call line to listen to the auction and place bids. **Please call Marilyn at (785) 766-8713 at least 1 hour prior to the sale** to register to bid and obtain the conference call phone number, access code and a buyer number. The conference call line will open 10 minutes prior to the sale start and remain open during the entire sale, as long as there are bidders on the call.

◆ This heifer is a good example of our most advanced product! Her sire, homozygous polled Toronto, was Champion at 4 major shows, and this heifer carries his style. She has eye appeal, is balanced, moderate size and has excellent EPDs! CED in the top 4% of the breed and BW in top 10%. She's just an April baby who won't be quite 7 months old sale day.

◆ Show prospect here!

◆ This stout Joker heifer is the first calf out of an SAV Net Worth x JF Helga A304 female. A304 is the top polled cow on the farm today and is quickly earning her way to the donor pen with the performance and phenotype of her offspring. F801 had an actual birth weight of 65 lbs with a 271 day gestation. Low birth weight, short gestation genetics backed by a tremendous cow family in this female.

◆ This dark colored open heifer is hard to part with, but we have several half sibling bulls that we have held onto. Her dam comes from the Rock Creek program and is one of our easiest fleshing cows. In addition, her sire BLC Beaumont is currently one of the top RFI EPD bulls in the breed. These traits really express themselves in this thick made heifer calf.

◆ She sells open and ready to breed to the bull of your choice.

◆ This dark colored bred heifer comes from one of our foundation cows that comes from the Rock Creek Braunvieh program. Her dam is a Wizard of Oz daughter that has past show ring success and consistently produces top end offspring. Her sire is a homo black; homo polled bull out of the J Bar program and carries Rangers Bad Boy and Ranger 11R in his bloodlines. This heifer will be an excellent brood cow for your program.

◆ Pasture exposed to 4KR Dually (PB94168) from 7/18/19 to 9/20/19. Confirmed bred via blood test and will re-verify with vet prior to sale.

◆ Nice clean made, traditional colored young cow that has been pasture exposed to our very good up-and-coming herd sire 4KR Dually. This cow carries fantastic birth weight EPD's via her Sire Tru Poll Ranger. On the bottom side, her dam DHR Carla's Image has stacked bloodlines with Spittin Image and Sambo Jordi. This will make a great addition to anyone's herd for years to come.

◆ Pasture exposed to 4KR Dually (PB94168) from 7/18/19 to 9/20/19. Confirmed bred via blood test and will re-verify with vet prior to sale.

Herd Builder Terms & Conditions (continued from page 3)

Registrations and Transfers

A certificate of registry and transfer will be furnished for each animal at no cost to the buyer within 45 days after settlement of animals purchased.

Delivery

We will assist buyers in arranging shipment.

Health

All cattle will have proper health certificates for shipment. If your state requires TB tests, please contact individual consignors prior to the sale regarding testing.

Insurance

All animals become the property of the purchaser and will be at purchaser's risk at the time of sale. Insurance will be available should buyers wish to purchase it.

Liability

All persons attending this sale and related functions do so at their own risk. The sale consignors and Mid-Missouri Livestock Center assume no liability, legal or otherwise, for any accidents that may occur.

Air Transportation

Major airlines have regular service into Kansas City, Mo.

Absentee Bids

If you wish to make purchases but are unable to attend this sale, please contact one of the consignors.

Herd Builder Genetic Defect Guarantee

The cattle in this sale are guaranteed to be free of known Genetic Defects as outlined in the Braunvieh Association of America Rules and Regulations. If an animal sold in this sale is found to have a genetic defect, it will be the responsibility of the seller of that animal to satisfy the buyer with a refund or replacement. Buyer must contact seller within 12 months from the sale date to implement the guarantee.

- ◆ Not very often do we consider parting with a cow of this magnitude. She has been one of the cornerstones of our success. She adds a layer of quality in terms of overall balance, eye appeal, power, depth and frame.
- ◆ She has out produced herself with every calf. First calf was 2019 Junior Nationals Reserve Champion Market steer then coming back 2019 Champion Carcass. And they keep getting better with her 2019 heifer. She takes on the first straw every time. She was shown and is show broke.
