Service Officer Report Chris Dauterman – Recognized VFW Commander Mike Billings and VFW VSO Mike Craig for making headway in assisting World War II US Navy Veteran Peggy Lutz. After several phone calls we coordinated Legion and VFW resources to begin the process of helping fix a broken sliding door. In discussions we found that the porch also may need a ramp or stairs. Update to Post 21 Service Officer website to include information and hyperlinks to the American Red Cross and emergency financial assistance: American Red Cross Emergency Services, Army Emergency Relief, Navy-Marine Corp Relief Society, Coast Guard Mutual Assistance, Air Force Aid Society, along with the American Legion Temporary Financial Assistance. Took a moment to recognize that Oregon Veterans License Plate program was instantiated under the administration of Director Jim Willis and Deputy Director Paula Brown. Explained that we all must let Veterans know that license plate proceeds are the funding mechanism for the Oregon Veterans Home. Requested the Post take a moment of silence in honor of Jim Willis who passed away in June of 2021.

House Committee Gary Bert – Would like to add a Rider to the committee. Electrical box repair is finished. Asked everyone to be on the lookout for maintenance problems so they can be addressed as quickly as possible. Any House Committee member can take a report of a problem.

Unfinished business:

Commander states that Preamble needs to be updated with correction. American Legion advertisement for state convention needs designed.

Motion: By Steve Farley that the post allow Renee at Legion Headquarters design the advertisement, seconded by Leroy Brown – PASSED.

Rich Pimm reports that over the past 27th months the work is now complete on the Memorial. Overall total Cost for monument was \$26,959, Cost was \$18715 and another \$6826 for labor and parts. \$6453 remains in the account. E-Board was recently presented with floor options for main dining room that is broken, and needs replaced.

This was agreed upon to first look at the chairs for repair. A rough estimate is over \$10,000 to replace all the chairs. The chairs were donated by Michelbook Country Club and worked well on carpet. The chairs are on rollers that move when trying to stand. There have been reports of at least eight (8) falls since the chairs were installed. Currently the floor bid is \$12,406 and that includes a 30% discount. The current chair situation could void the warranty of a new floor.

New Business:

Bert's Chuckwagon BBQ requesting help for Oregon Brews and BBQ that is scheduled for June 16, 17, and 18 from Noon until 11pm. The website for the event is <https://orbrewsandbbqs.com/> and a portion of total sales is slated to provide funds to Legion Post 21. Saturday is Military Appreciation Day with discounted tickets for Active-Duty and Veterans. This is a family friendly event with a Kids Zone sponsored by Gormley Plumbing and Mechanical. However, the lead sponsor for glasses is still needed. Bert's Chuckwagon BBQ is requesting \$5,000 for sponsorship. The glasses will be emblazoned with the words American Legion Post 21, McMinnville, Oregon, Support our Troops. The American Legion logo cannot be used due to copyright rules. Both Steve Farley and Mike Billings stood in support of the request.

Motion: By Jim Connelly that the post donate \$5,000 for Oregon Brews and BBQ as sponsor of glasses, seconded by Leroy Brown – PASSED.
