

From the Republic of Texas

27<sup>th</sup> Senate

October 7, 2023

Texian people,

Let it be known, on September 21<sup>st</sup>, 2023, the 27<sup>th</sup> Senate President Mike Blackwell accepted an envelope from Speaker of the House Stephen Berryman of the 27<sup>th</sup> House of Representatives. This envelope was viewed to be sealed by his red thumb prints. On September 22<sup>nd</sup>, President of the Senate Mike Blackwell and myself; President pro-tempore Kathryn Thuneman opened the sealed envelope to review the findings and facts included. At that time, we evaluate the documents to see if the Senate needed to take any constitutional steps in the house findings. These documents were found to be lawfully investigated and by unanimous votes for Inditement (s), Impeachment(s) and interview referrals. We concluded the 27<sup>th</sup> Senate had a constitutional duty to conduct trials for the mentioned people.

The 27<sup>th</sup> Senate accepted these lawful documents, now is obligated to proceed according to our republic of Texas 1836 constitution with amendments on September 5<sup>th</sup>, 2007. Article I, section 11. We will be proceeding with the trials in the next coming week(s).

We thank you for your patience and understanding that your 27<sup>th</sup> congress is committed and obligated to give you transparency. We, your government, swore an oath to protect our great Nation the Republic of Texas. When the Trials are over, we will present the truth in the documents we have gathered. All documents and recordings will be available for the Texian people in the Recording Office for your review.

Respectfully,

Kathryn Thuneman - Senator of District 9 - Bexar County  
President pro-tempore of the 27<sup>th</sup> Senate
